Letter to the Editor . . .

A recent letter to the editor appearing in your paper from "a concerned taxpayer" objected very strongly to the methods employed in establishing sewer rates for the proposed sewer system for the town of Deseronto.

The writer objected to the frontage charge being applied on vacant lots and appears to assume that the Deseronto Council selected sewer rates without sufficient investigation and consultation with the project engineers and our auditors.

In attempting to explain the situation it should first of all be made quite clear that the sewer project was initially suggested and recommended by the Ontario Water Resources Commission who have continually outlined the steps to be taken by Council to determine whether the project was feasible for Deseronto or not.

The writer suggests rates should be set on the amount of sewage processed through the system. This is exactly the method used as the rates are set primarily on the amount of water and sewage that would be processed. In addition, the frontage charge, which is applied to vacant lots as well as occupied property was applied by the Ontario Water Resources Committee as standard procedure to secure the necessary funds to finance the system while eliminating some of the burden from the average householder. In defence of the frontage charge, it was pointed out that the value of serviced lots would automatically increase and the owners should therefore assume a portion of the costs. Elimination of the frontage charge would place the full costs on the existing householder commercial properties and Industry to a degree the project would almost certainly fail.

Comparison of costs of other systems already installed in other towns would be virtually impossible as number of connections, miles of tile, type of soil, costs of material and financing in previous years as compared to 1969 and many other factors would be difficult to compare.

In defence of the steps already taken by previous councils as well as the present one, we believe as elected representative of the people, we have a respon-

sibility to show a degree of progress. The facts prove that without adequate services, there is no way this can be done and in fact we would almost certainly slip further and further behind. Housing is badly needed in Deseronto and particularly Senior Citizens Housing. A recent letter from the Ontario Housing Authority made it quite clear that no survey could be taken or a project of this kind undertaken without the installation of sewers.

Industrial and commercial prospects tend to shy away from undeveloped areas as well as a potential homeowners and builders. The variety of business establishments will probably decrease further as it becomes more difficult to maintain a satisfactory value of business to remain competitive. With adequate services the potential would be unlimited and would reduce the heavy tax load as development takes place.

It would therefore appear that Council would be irresponsible if they failed to explore every possibility of providing sewers which are so vital to any growth and development in the future, and in fact to our very survival.

However, on a project of this size and nature that so seriously affects those living on low or fixed incomes, there are many details that have to be considered and questions that have to be answered.

Any member of council, will be pleased to explain these details and answer any questions and would welcome those interested enough to attend Council meetings on the first and third Mondays of each month. At the present time there does not appear to be any alternative if we hope to show any growth and development in Deseronto, we think the majority will agree.

Sincerely,
Deseronto Municipal
Council

NOTICE

We appreciate the interest shown in the newspaper since we asked for your help, however, due to an unexpected increase in advertising this week, we found it necessary to hold numerous news items until next week's edition.

REAL ESTATE CHANGE

A real estate transaction was completed this week when the Sleetnam building at 101 Thomas Street was purchased by the assistant area manager of Canada Flight Equipment, Austin Barnes. The triplex was sold by Solomon Robbins, representative of H. Keith Ltd., Realtor.

TRAINING FOR MILITARY POLICE

James David Sharpe, son of Mayor Sharpe and Mrs. Sharpe, left this week for Greenwich N.S. where he will start his training for the Military Police. Jim, who is in his 18th year, will go to Cornwallis and Camp Borden before his training is completed.

Prior to leaving, he was the guest of the Gendron family who held a farewell dinner for him at their restaurant.

Plan Walkathon

Deseronto United Church is planning to have a walkathon on Saturday, April 19th, and would welcome both sponsors and walkers.

Contributors who are sponsoring a walker will receive a receipt which may be used for income tax reductions.

Rev. Wm. Hendry says that the 20 mile route has been established, and walkers are busy out collecting sponsors—hopefully on foot! The money collected in the walkathon will be used for church renovations. Walkers are assured that they will be able to catch a moment's repose along the route at several "refreshment booths."

Anyone who is interested in becoming a walker, or a sponsor may contact Rev. Hendry for further information.

CHARGED FOR DISTURBING THE PEACE

Fines of \$25.00 and \$3. costs or 7 days in jail were given to Philip Maracle and Donald Buck both of R.R. # 1, Deseronto. The charges resulted from a disturbance at the local pool room on March 22, 1969.

Hydro Interruption

There will be a Hydro Interruption (weather permitting) on Tuesday, April 8th from 2-4 p.m. on the following streets: Thomas St., West from Prince St. to Green. All of Centre Street, Edmon St.; St. George St. Mill St. Maple Ave. Dundas St. from Centre St. to Green St.

Rev. F. F. Downing Dies Suddenly

Residents of Deseronto and district, and especially the residents of the Tyendinaga Indian Reserve were deeply saddened by the sudden death of Rev. F. F. Downing. Mr. Downing who was Chaplain to the Mohawks, died suddenly of a heart attack on Friday, March 28th, 1969, while conducting a funeral service in Christ Church (Anglican) for 5 year old Charlene Maracle.

Frederick Fuller Downing was born in Kingston, the son of the late Mr. and Mrs. Henry Downing. He graduated from St. John's College, University of Manitoba, and immediately went to serve among the Ojibway Indians in Northern Ontario's Keewatin district, where he served for 19 years. He then enlisted in the Royal Canadian Air Force for six years during World War II. Following the war, he returned to his Keewatin parish for another two years, and in 1948, was appointed to the Tweed Parish. Later he served in various Eastern Ontario charges—Athens, Merrickville, Burritts Rapids, and in 1961, was appointed Rector of the Stirling parish.

NOTICE

TOWN OF DESERONTO

At the request of the council of the Town of Deseronto, the Ontario Water Resources Commission has investigated the possibility of installing within the Town, a sewage works project to be owned by the Province of Ontario, consisting of sewage treatment facilities and a collector sewer system which will service the major part of the Town. It is now proposed to construct such works at a total estimated cost of \$1,210,305. To recover the cost of constructing and operating the works, the council of the Town of Deseronto propose to impose a surcharge of 448 percent on the individual water bill for other than commercial and industrial consumers, and 340 percent on the individual water bill for commercial and industrial consumers, and a frontage rate of 27 cents per foot per annum and an annual connection charge of \$24.78 per connection. Thus, the Ontario Water Resources Commission will be billing the municipality on the basis of the actual volume of sewage treated at a rate of \$1.08 per 1,000 gallons.

The project will consist of the following works:

The installation of a sewage works system consisting of collector sewers as follows:

ON	FROM	TO
Brant Street	280' N of Dundas St.	Main Street
Centre Street	Maple Street	Main Street
College Street,	Dundas Street	Main Street
Dundas Street	Centre Street	Brant Street
Dundas Street,	College Street	West Street
Dundas Street	Centre Street	First Street
Edmon Street	Centre Street	Mill Street
First Street	Dundas Street	Main Street
Fourth Street	Dundas Street	Main Street
Fourth Street	Waters Street	150' South
Green Street	330' N of Dundas St.	Main Street
Main Street	First Street	Mechanic Street
Maple Street	Corporation Limit	Mill Street
Mechanic Street	Park Street	Main Street
Mill Street	350' N of Dundas	575' S of Main St.
Park Street	College Street	Mechanic Street
Pearl Street	Dundas Street	Main Street
Prince Street	Dundas Street	Main Street
St. George St.	300' N of Dundas	Main Street
Second Street	Dundas Street	Main Street
Stanley Street	975' E. of Centre St.	Centre Street
Thomas Street	Pearl Street	Fourth Street

Including service connections from the collector sewer to the property line together with a trunk sewer from the intersection of Mill Street and Water Street to a high-rate activated sludge sewage treatment plant having a capacity of 0.30 mgd and located east of Mill Street and south of Water Street. An outfall sewer will discharge treated effluent to the Bay of Quinte.

In computing the frontage charges, provision shall be made for the exemption or partial exemption from a foot frontage rate and for the termination of such exemption or partial exemption in the following manner:

- (a) A reduction in the case of corner lots at the junction or intersection of streets of not more than 50% of the flankage and a reduction or increase in the case of triangular

or irregularly-shaped lots may be made in the foot frontage rate that otherwise would be chargeable thereon, sufficient, having regard to the situation, value and superficial area of such lots as compared with other lots, to adjust its frontage charge on a fair and equitable basis.

- (b) Where a lot is for any reason wholly or in part unfit for building purposes, a reduction may be made in the foot frontage rate that otherwise would be chargeable thereon sufficient to adjust its frontage charge as compared with that of lots fit for building purposes on a fair and equitable basis.
- (c) Where a lot, other than a corner lot, has two limits that abut on streets described herein and the size and nature of the lot is such that any or all of the works in such streets are not required, a reduction in respect of the works that are not required, so long as they are not required, may also be made in the foot frontage rate that would otherwise be chargeable thereon, sufficient to adjust its frontage charge on a fair and equitable basis.
- (d) In the case of lots that, because of the nature of the terrain or the elevation of the sewer, do not derive the same benefit as other lands abutting on the sewer, a reduction may be made in the foot frontage rate which, otherwise would be chargeable thereon, sufficient having regard to the benefit derived as compared with other lots, to adjust the foot frontage rate on a fair and equitable basis.
- (e) The reduction shall be made by deducting from the total frontage of the lot liable to the annual foot frontage rate so much thereof as is sufficient to make the proper reduction, but the whole of the lot shall be charged with the annual foot frontage charge as so reduced.

On the basis of these levies, a house having a frontage of 66 feet and an annual water bill of \$32.00 would pay the following amounts annually after connection has been made to the system:

66 feet frontage @ 27¢	\$ 17.82
Connection Charge	24.78
Service Charge	143.36
Total	\$ 185.96

Any rate payer may, within twenty-one days after the first publication of this notice send by prepaid post to the Clerk of the Town of Deseronto at the address given below, a notice in writing stating his objection to this proposal or to the imposition of the sewage rates.

The Ontario Municipal Board may approve the agreement between the Town of Deseronto and the Ontario Water Resources Commission with respect to the provision of the sewage service but before doing so it may appoint a time and place for a public hearing when any objections will be considered but notice of such hearing will be given only to those persons who have given notice of objection as provided for above.

Plans may be inspected at the office of the undersigned during business hours.

DATED AT DESERONTO and first published this Second day of April, 1969

Mr. J. C. Reynolds,
Clerk Treasurer,
Town of Deseronto,
P.O. Box 310,

CARD OF THANKS

We would like to express our very sincere thanks to all our friends, neighbours and relatives who so kindly sent the messages of Sympathy, and acts of kindness or in anyway helped during our recent bereavement of our dear Son and Brother.

We would also like to thank the Doctors and nurses of Kingston General, and Hotel Dieu Hospitals, Dr. Bergstrom and staff, White and Morris Funeral Home, and a very special thanks to Rev. Hendry for his many kind and comforting words.

Sincerely,
Don and Muriel Kimmitt & Family.

I wish to thank friends and neighbours for cards and many acts of kindness while I was a patient in the Belleville Hospital. Special thanks to Dr. McVicker. Eric Coppell.

Mr. and Mrs. Herb Maracle and family would like to thank their many, many friends and relatives for their help and donations during their recent bereavement in the loss of a dear daughter and sister, Charlene. Your thoughtfulness is deeply appreciated. A special thank you is extended to Mr. Peter Morris and Rev. A.F. Dowdell for their many kind words. 4-1c

REV. F. F. DOWNING

(Cont'd from page 1)

Rev. Downing and his wife came to Tyendinaga about a year and a half ago, and right away, he became an enthusiastic researcher of early Canadian Indian History. His parish is a very historical site, and his work revived interest throughout the Quinte district in the role of the Mohawks as the first Christian settlers in the area. One interesting discovery of Mr. Downing's was the grave of John Ochechuskoh, a Mahawk, believed to be the first lay Anglican catechist in North America.

Rev. Downing was devoted to the Indians, and often referred to them as "his own people". He raised enough money to repoint Christ Church and recently started an organ fund for All Saints Church. This fund is being continued in his memory, and donations were given in lieu of flowers.

Mr. Downing is survived by his wife, the former Glenys Taylor, and two daughters, Mrs. Ford Hutchings (Anne) and Miss Margaret Downing, both of Toronto. His first wife, Laura Kathleen Courtney predeceased him several years ago.

He rested at White & Morris Funeral Home until noon Sunday when he laid in state at Christ Church until the funeral at 2 p.m. on Monday. The service was conducted by Rural Dean Dunning of Adolphstown, Archdeacon McConnell of Belleville, Rev. A. F. Dowdell of Deseronto, and the sermon was delivered by Bishop K. C. Evans. A large number of clergymen were present for the service and the church was filled to capacity.

Interment was in the Mohawk Cemetery at Christ Church.

Local and Personals

We extend sympathy to Mr. and Mrs. Ivan Jackson whose baby son passed away in Kingston General Hospital Friday.

Mrs. Edith Reuttan (Mrs. Don Shelley's Mother), is recovering from eye surgery in Kingston General Hospital. We wish her a speedy recovery.

Mrs. Robt. Harvey has returned home from visiting her cousin Mrs. H. Wright, Belleville.

Mr. and Mrs. Harold Winter called on Mr. and Mrs. Delbert Harvey Sunday Evening.

Mrs. Ted DeGray and Deborah, Oshawa visited her parents Mr.

and Mrs. Robt. Tucker and Gary

Mr. and Mrs. Murray Haveland, Paul and Douglas, of Brantford, Mrs. Douglas McCullough, Deborah and Dwight, Peterborough and Mrs. David Marriott, Kingston were Sunday visitors of their parents Mr. and Mrs. Roy Stafford.

Mr. and Mrs. J. K., Milne and family of Trenton, Mr. and Mrs. Clarence Barid, Napanee, also Mr. and Mrs. Don Nugent, Picton were Sunday visitors of Mr. and Mrs. Claude Nugent.

DESERONTO U.C.W.

The March meeting of the Evening Unit of the U.C.W. was held Thursday the 13th, at the home of Mrs. Fran Transue. The topic being "A Missionary Programme."

The meeting opened with the worship led by Mrs. Gladys Gould whose theme was, "We are all Brothers. The Scripture taken from St. John 4, verses 7-21 was read by Mrs. Helen Tunncliffe. Mrs. Gould gave an interesting meditation on "World Wide Brotherhood" and closed the worship with prayer.

The evening Unit Leader, Mrs. Bruce Cuthill, welcomed the visitors. Fifteen members answered the roll call. The minutes were read by the Secretary, Mrs. Harold Piercy. Mrs. Fran Transue gave the treasurers report. The correspondence was read which included an invitation from Empey Hill U.C.W. to attend their thankoffering meeting at eight o'clock on April 1.

Mrs. Cuthill announced that Melrose U.C.W. were having a bus trip to Toronto, March 19th and that there were a few more tickets.

Mrs. Ada Boyce gave a report to the executive meetings. Mrs. Rockwell Hawley, U.C.W. President, outlined the projects for the year and members volunteered to convene the various

projects.

The offering was received and dedicated by Mrs. Cochran. Mrs. Gould introduced the guest speaker, Mrs. H. Langford. Mrs. Langford spoke mainly on Home Mission work and what we can do to be missionaries. She closed her talk by telling something of the work done by Mr. and Mrs. Hawley who are Missionaries in Korea.

LONSDALE W.I.

The March meeting of the Lonsdale W.I. was held on Tuesday March 18th, at the home of Mrs. Brooks Allen. The meeting opened with the singing of the Opening Ode followed by the Mary Stewart Collect. The Roll Call of "My favorite fruit or vegetable and how to prepare it" was answered by the 8 members present.

The business was dealt with and plans finalized for the next two eucharist parties.

Mrs. Bernard Walsh, convenor for Home Economics then had a reading prepared on the motto "Housework is like stinging bead with no knot in the end" which was read by Mrs. Leon McGuinness. She then gave a quiz on Flowers which was won by Mrs. Leon McGuinness and Mrs. James Bell and another Sweets which was won by Mrs. James Bell and

LEGION NEWS

BRANCH 280

Members of Deseronto Branch 280 of the Royal Canadian Legion together with the ladies Auxillary

together with many members of Stirling & Madoc Branches, and others from Zone F3, paraded to Christ Church on Sunday evening to pay their final respects to their padre, Rev. F. F. Downing, Chaplain of Tyendinaga Reserve, a former padre of Deseronto Branch of the legion. Rev. Maurice Sautter led the legion service. Padre Downing was a popular and well-loved member of the Deseronto Branch and the sympathy of all veterans is extended to the members of his family.

DESERONTO PENTECOSTAL CHURCH

A special Gospel-sing-a-long service will be held Easter Sunday afternoon at three o'clock in the Deseronto Pentecostal Church. The Switzer Brothers Quartet will be singing and will be in charge. There will be no sermon in this special service.

The quartet will also be singing in Sunday School at 10 a.m. and in the morning service at 11 a.m. and in the evening at 7:30 p.m.

The public is invited to attend. Come on along and enjoy the sing-a-long and take an active part in singing some of those good old church hymns of yesteryear.

DESERONTO

Child Drowns Near Home

Five year old Charlene Maracle drowned in a flood-swollen creek when she slipped and fell in the laneway of her home on the Tyendinaga Reserve near Shannonville on March 26th, 1969.

Charlene and her six yr. old cousin, Janet Maracle had just gotten off the school bus and were walking up the lane, when the girl apparently slipped on a culvert and fell into the water. Charlene's father, Mr. Herb, Maracle found his daughter shortly after, about 300 yards from where she fell.

Besides her parents, she is survived by her brothers and sisters, Dale of Toronto, Herbert, Elwood, Richard, Sandra and Connie at home.

Funeral services were conducted on Friday, March 28th at Christ Church Tyendinaga, with Rev. A. F. Dowdell officiating.

Interment was in All Saints Cemetery.

Notes of Inspiration

REV. OSCAR SIMPSON

The return of Easter should be to the Christian life, the call of a trumpet. It is the news of a great victory. The solution of a great perplexity. It is the assurance of a great triumph. Because Christ lives we can live also. Christ said "I give unto them eternal life and they shall never perish." "As many as RECEIVED him to them gave He power to become the sons of God. The stone at the tomb of Jesus was a pebble to the Rock of Ages inside.

The families of the late Merwin and Linda Pringle, have started a memorial fund in their memory. The fund to be used to purchase a new organ for the Deseronto Pentecostal Church. Many have already donated to this fund and others wishing to do so may contact Mrs. Millie Topping.

DESERONTO TOWN COUNCIL HOLD REGULAR MEETING

On Monday, April 7, 1969, a regular meeting of the Deseronto Town Council was held with all members present. Following the minutes of the previous meeting the correspondence was read as follows: The Deseronto Girl Guides Guides - re selling of Hot Cross Buns; O.W.R.C. - re advertising of sewer rates; Town Auditor - re increase of auditing fees to \$1750 The Canadian Arthritic and Rheumatism Society - re contribution; Hisey & Barrington - re standpipe inspection. A letter was also received from the Ontario Municipal Association inviting delegates to the annual conference. Councillor Lyons and Clerk - Treas. J. Reynolds will be attending the 2 day conference.

The accounts payable were turned over to the Finance Committee for approval and payment. COMMITTEE REPORTS

Reeve Armitage called for a Budget Meeting next Monday, April 14th at 7:30 p.m.

Chairman of the Streets Committee, Councillor Brooks gave a report followed by a property report by Councillor McCullough.

A Fire & Police report was given by Councillor Gordanier. It was also brought to the attention of the council that the Deseronto Lions Club have donated a resuscitator to the Police Department. Council passed that a letter of appreciation be sent to the Club.

NEW BUSINESS

There was much controversy as to what would be done to clear a number of unlicensed cars from property about town. Mayor Sharpe informed council that there is a by-law to cover the matter, and therefore the Local Police Dept. will be asked to enforce it.

Council passed that a new pump be purchased from Foxboro Pump at an approximate cost of \$117.00. The old pump is beyond repair.

The meeting was adjourned until next regular session.

REAL ESTATE CHANGE

Mr. John Sexsmith, Marysville recently purchased the Marysville farm formerly owned by Mae Topping. The transaction was completed through Solomon Robbins, representative for H. Keith Ltd. Realtor.

People Littering At Dump Site To Be Prosecuted

At Monday evenings regular Town Council meeting Councillor George Lyon brought to the attention of council the deplorable condition the Town Dump is left in.

The dump which is to be used by the Town of Deseronto and the Richmond Township residents only apparently is also being used by

Napane residents. Many users are dumping their garbage on the edge of the roadway instead of at the edge of the garbage pile.

After much discussion Council agreed that the caretaker should be informed to record the users numbers and the offenders will be prosecuted without warning.

ROUTE SET FOR WALKATHON

Deseronto United Church still has room for 50 more participants in their 20 mile walkathon planned for Saturday, April 19th. Sponsor forms are available at Lyon's Store on Main St. & those interested are urged to pick up forms and get sponsors. Receipts for income tax purposes will be issued for all money that the church receives.

The walk will commence at the church, along Main street to the bridge, over the Skyway bridge and up Hwy 49 to a point 2 miles beyond Chant's Corners. Walkers will then retrace their steps to Chant's Corners and follow the Bayshore Road, back across the bridge to the Junction of Hwy 49 and Hwy 2, and back along Hwy 2 and Dundas St. to the church.

Mrs. Peter Dickinson is in charge of 5 way stations which will be situated along the route. The walkathon starts at 8 a.m. on Saturday, April 19th with Mayor James Sharpe starting things off.

Deseronto UCW

The afternoon unit of the U.

C.W. meeting was held at the home of Mrs. G. Stuart, Main Street, at 2:30 p.m. on April 1. President Mrs. Stuart opened with Theme Prayer Poem "Good Friday" then turned Devotional over to Mrs. Normand Davis whom opened with hymn 101 reading Luke 24 verses 1 to 10 Why Speak Eli the living among the dead. A reading was given by Lena Cummings about Easter. Mrs. Davis closed with prayer. Minutes were read by secretary Mrs. Cummings she also gave the treasures report and read two thank-you letters, Roll was called and there were thirteen members present and two visitors with thirty calls by members to shut-ins.

Our programme How can Deseronto be Improved, it was decided to not just discuss it but to do something about this bytacking matters to the official board of the church, or get help from the Town Council. Business of three weddings were catering to also our Rummage Sale the 3rd of May and the Board Supper on the 7th of May, Mrs. Hawley explained (Cont'd on Page Two)

Cancer Society Campaign This Week

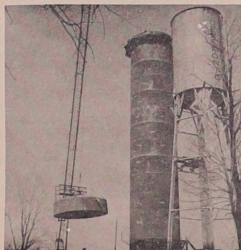

The Local Cancer Society will be holding their Campaign in Deseronto this week, and urge everyone to give generously when the canvasser calls.

coming events

about our Dues and Allocation. Collection was taken and dedi-
cated also supply Box was passed
Mrs. Stuart closed the meeting
by reading a verse Spring Clean-
ing and Pray.

Mrs. Tom Jackson thanked
our Hostess Mrs. Stuart for hav-
ing the meeting and dainty lunch
eon was served by Mrs. Stuart,
Mrs. Davis and Miss Lloyd.

The ladies would like to have
letters sent to president following
discussion which we had on How
Deseronto can be Improved.

1. Love one another and hous-
ing for elderly people.
2. Main thing was to set curfew
that children under 16 be off
the street after 9 o'clock.
3. Improve appearance of the
town by picking up things
laying around and weeds cut
on the vacant lots, etc.

DESERONTO FISH & GAME CLUB

The pellet gun shoot on April
2nd was the fourth of a series of
six shoots. The high scoring jun-
ior was Ricky Gaylord with a
score of 84/100 and the high se-
nior was Gord Saunders with a
score of 87/100.

The next shoot will be
held on April 16th.

Last week officers of the Bel-
leville Detachment of the Ontario
Provincial Police patrolled
14, 159 miles of Provincial High-
ways and other roads, while work-
ing a total of 1,296 duty hours.

1 theft, 3 break and enters,
11 disturbances and 34 other mis-
cellaneous occurrences were re-
ported and investigated.

9 motor vehicle accidents
were reported and investigated.
One of those accidents resulted
in injuries to one person.

85 charges were preferred for
offences under various Federal
and Provincial Statutes. 74 cau-
tions were given for minor infrac-
tions of the Highway Traffic Act.

There were 43 convictions
in Provincial Judge's Court. Of-
ficers spent a total of 25 duty hrs.
in Court.

One request for assistance
was received from another Police
department and assistance was
given.

The Belleville Detachment
Safety Officer visited 3 schools
and gave 16 safety talks to a
total of 530 school children.

BITS and PIECES

By ROGER L. MacDONALD

A LOOK INSIDE

Of all the many mysteries con-
nected with illness in the world
today, and despite the many ad-
vances of Medical Science in all
fields the greatest challenge has
to be the study of mental illness
or the study of the nervous system
as controlled by the brain.

To see an older person in the
grips of senility is a heart-break-
ing experience. The men and
women of past generations who
doubtless in their era contributed
much to our society of today re-
duced to such a degree of immo-
bility. This is only one instance
of mental deficiency.

Then there is the case of the
middle-aged depressive, perhaps
frustrations have finally driven
them so beyond the realms of
reality, that they sink into a de-
pressed state, unable to be help-
ed, to climb from this oblivion of
distress.

Last and perhaps the hardest
to comprehend is the younger
set, teen-agers with obvious pro-
blems, acting out their problems
in various forms of release, sex,
crime, destructiveness, glue-snif-
ing and just, in general a be-
havior that a society finds extra-
ordinary and seemingly mean-
ingless.

The above mentioned example
of anguish and suffering are only
a few of the many such problems
which Psychiatrists to-day must
deal with. Their lot is not a
easy one for at all times they must
be extremely hard for a doctor not
to allow his professional judg-
ment to come impaired with the
personel feelings for a patient or
his family.

The greatest thing that could
ever happen would be if the aver-
age person on the street could
understand and accept mental
illness as a disease just as small-
pox, that can be treated and in
some cases arrested to the degree
that a patient can once again
return to society and accept and
cope with life as he once did.

True in recent years due to
to openhouses at various hospitals
people have begun to understand
mental illness more clearly. There
is still a certain stigma attached
to a patient when, for example
on his release, he applies for a
job etc.

However, I feel and honestly
hope for people to take a closer
look at this illness and I am sure
in the future it will be accept-
able and recognized as a disease
that can and will be controlled
and hopefully some day a sure-
fire cure will be found.

Purchasing Agents Hold District Meeting

The Canadian Association of Purchasing Agents', Eastern Ontario District meeting was held the 12th of March '69 at the 401 Inn, Kingston, Ontario. Members from Brockville, Trenton, Smith Falls, Belleville and Kingston area were in attendance.

Mr. B.M. Nickson, President Eastern Ontario District, chaired the meeting. Each Member hosted a Company Executive. The guest speaker was Dr. C.S. Calder, President, Malinckrodt Chemical Company, Montreal Quebec.

Dr. Calder took his B.A. honours in Chemistry at Western University, then attending Toronto University for his M.A. and later at McGill he received his Ph. D. in Physical Chemistry. Dr. Calder joined Malinckrodt Chemical Company as Vice-President in 1955 and was made President in planning marketing, production and purchasing has given him very definite ideas of what can properly be demanded of the purchasing manager in today's

economy.

Dr. Calder's subject was "Pitfalls of Professional Development In his speech Dr. Calder stated that Purchasing Agents were trying too hard to get professional status. Purchasing is new to the business field and it will take time to be recognized. At present, the right people are quite aware of the Purchasing Agents competence in business. Purchasing he believes, will not be protected in the same manner as Doctors and Lawyers, due to the fact that at present, companies can set up a Purchasing group on their own. Purchasing agents rely on their Association and their own code of ethics. They are exposed on all sides and are subjected to embellishments and bandwagons. The Purchasing Agent could have a tendency to rely too much on outside suppliers and inside pipelines. They work too often from requisitions only and these requisitions dictate their daily workload. The Purchasing Agent would not wait for requisition to arrive at the desk. He should be in a position to help in all matters and should be ready to make suggestions.

Proper human relations must be used by Purchasing at all times, and we must remember to handle people with proper business etiquette. It must be remembered that when salesman call on Purchasing, they are representing their company, but when they return back to their company they in turn, are representing a customer, particularly the Purchasing Agent. It is therefore Purchasing's responsibility to see that he is properly represented. The Purchasing Agent must at all times keep his management informed of what he is doing. It is not necessary to tell management every detail, but what he must relate is what he has bought and how it has saved the company money in price and inventory costs. Mr. H.S. White, Purchasing Agent of Phillips Cables, Brockville, thanked the guest speaker.

Read C.W.L.

The March meeting of the Read C.W.L. was held Tues. evening at the St. Mary's School following Mass. Father Ferguson opened the meeting with the League prayer with the President Mrs. Wm. Buckley presiding.

The minutes of the last meeting was read by Mrs. Adrian Callaghan substituting for Mrs. Tom Callaghan. The correspondence was read. It was agreed to hold a Poverty Lunch on April 15th at 8 p.m. of rice instead of the usual Pot Luck Supper. The proceeds will go toward Development and Peace.

Mrs. J.E. Walsh introduced the guest speaker, Rev. Father Raymond Shannon of Cardinal who spoke on Development and Peace in Santa Domingo. He told how the Scarborough Foreign Mission Priests, the Grey Nuns, The Hotel Dieu Sisters and the Canadian Aid are helping the people but there is much to be done. He spoke on the Lenten Theme "Yesterday fasting for ourselves To-day fasting for others." He closed his talk by saying "Catch a fish and feed them one day, Teach them and feed them for life."

Mrs. J.D. Walsh thanked the speaker. Father Ferguson closed the meeting with a prayer

and a lovely lunch was served. April 15th, will be a poverty lunch and donations are to be put in a plain envelope and turned in at the lunch.

DESERONTO C.W.L.

The March meeting for the C.W.L. of St. Vincent De Paul parish Deseronto was held at the home of Mrs. M. Cassidy.

Mrs. M. Sherman President, opened the meeting with the League Prayer. The minutes of the February meeting were read by Mrs. T. Whalen and adapted. Correspondence was read. A letter was read from the Scarboro Foreign Missions re-used stamps. Mrs. E. Dorey has faithfully looked after the used stamps and sent them to the Scarboro Foreign Missions.

The treasurer's report was read by Mrs. E. Dorey.

Plans were made for a rummage sale to be held on May 24th.

A Nominating Committee for the new officers of 1969 are Mrs. E. Dorey, Mrs. D. Reid and Mrs. A. Lord.

All members were in favour of a Pot Luck Supper before the April meeting on April 13th.

Following the adjournment, lunch was served by Mrs. Cassidy and Maureen.

Mrs. S.E. Winter, Mrs. J. Alexander of Napanee also Mr. and Mrs. A. Burgess were Sunday visitors of Mr. and Mrs. Harold Winter.

Mrs. Cuthill graciously thanked Mrs. Langford for her interesting talk.

The meeting was closed with the Mizpah Benediction.

LONSDALE W.I.

At the euchre party held in Lonsdale School, sponsored by Lonsdale Women's Institute on Wednesday, March 26th prizes were awarded to the following: Ladies First—Mrs. Harold Whalen; Ladies Second—Mrs. Margaret Kimmerley; Ladies Consolation—Mrs. Pearl McCrea. Men's First was won by Mr. Justin Farrell; Mens Second—Mr. Ted McGuinness; Mens Consolation—Mr. Elmer

DeRoche. The travelling lone hand prize was won by Mr. J. Murphy while the door prize of a basket of groceries donated by the members was won by Mrs. Lash. Lunch was served, bringing the evening to a close.

The next euchre will be held on Wednesday, April 9th.

DESERONTO FISH & GAME CLUB

The third meet for the pellet gun tournament was held Wednesday the 26th. The Junior High Score was Frank Mallory with a 68 out of 100 and the Senior High was Doug Bernhardt with an 84. There are three more qualifying shoots and then one shoot-off for this years champion. The trophies can be seen at Gerald Lott's store

The next Regular meeting of the club will be held on April 9 at 7:30 at the Fire Hall.

NOTICE**TOWN OF DESERONTO**

At the request of the council of the Town of Deseronto, the Ontario Water Resources Commission has investigated the possibility of installing within the Town, a sewage works project to be owned by the Province of Ontario, consisting of sewage treatment facilities and a collector sewer system which will service the major part of the Town. It is now proposed to construct such works at a total estimated cost of \$1,210,305. To recover the cost of constructing and operating the works, the council of the Town of Deseronto propose to impose a surcharge of 448 percent on the individual water bill for other than commercial and industrial consumers, and 340 percent on the individual water bill for commercial and industrial consumers, and a frontage rate of 27 cents per foot per annum and an annual connection charge of \$24.78 per connection. Thus, the Ontario Water Resources Commission will be billing the municipality on the basis of the actual volume of sewage treated at a rate of \$1.08 per 1,000 gallons.

The project will consist of the following works:

The installation of a sewage works system consisting of collector sewers as follows:

ON	FROM	TO
Brant Street	280' N of Dundas St.	Main Street
Centre Street	Maple Street	Main Street
College Street	Dundas Street	Main Street
Dundas Street	Centre Street	Brant Street
Dundas Street	College Street	West Street
Dundas Street	Centre Street	First Street
Edmon Street	Centre Street	Mill Street
First Street	Dundas Street	Main Street
Fourth Street	Dundas Street	Main Street
Fourth Street	Waters Street	150' South
Green Street	330' N of Dundas St.	Main Street
Main Street	First Street	Mechanic Street
Maple Street	Corporation Limit	Mill Street
Mechanic Street	Park Street	Main Street
Mill Street	350' N of Dundas	575' S of Main St.
Park Street	College Street	Mechanic Street
Pearl Street	Dundas Street	Main Street
Prince Street	Dundas Street	Main Street
St. George St.	300' N of Dundas	Main Street
Second Street	Dundas Street	Main Street
Stanley Street	975' E. of Centre St.	Centre Street
Thomas Street	Pearl Street	Fourth Street

including service connections from the collector sewer to the property line together with a trunk sewer from the intersection of Mill Street and Water Street to a high-rate activated sludge sewage treatment plant having a capacity of 0.30 mgd and located east of Mill Street and south of Water Street. An outfall sewer will discharge treated effluent to the Bay of Quinte.

In computing the frontage charges, provision shall be made for the exemption or partial exemption from a foot frontage rate and for the termination of such exemption or partial exemption in the following manner:

- (a) A reduction in the case of corner lots at the junction or intersection of streets of not more than 50% of the flankage and a reduction or increase in the case of triangular

or irregularly-shaped lots may be made in the foot frontage rate that otherwise would be chargeable thereon, sufficient, having regard to the situation, value and superficial area of such lots as compared with other lots, to adjust its frontage charge on a fair and equitable basis.

- (b) Where a lot is for any reason wholly or in part unfit for building purposes, a reduction may be made in the foot frontage rate that otherwise would be chargeable thereon sufficient to adjust its frontage charge as compared with that of lots fit for building purposes on a fair and equitable basis.
- (c) Where a lot, other than a corner lot, has two limits that about on streets described herein and the size and nature of the lot is such that any or all of the works in such streets are not required, a reduction in respect of the works that are not required, so long as they are not required, may also be made in the foot frontage rate that would otherwise be chargeable thereon, sufficient to adjust its frontage charge on a fair and equitable basis.
- (d) In the case of lots that, because of the nature of the terrain or the elevation of the sewer, do not derive the same benefit as other lands abutting on the sewer, a reduction may be made in the foot frontage rate which, otherwise would be chargeable thereon, sufficient having regard to the benefit derived as compared with other lots, to adjust the foot frontage rate on a fair and equitable basis.
- (e) The reduction shall be made by deducting from the total frontage of the lot liable to the annual foot frontage rate so much thereof as is sufficient to make the proper reduction, but the whole of the lot shall be charged with the annual foot frontage charge as so reduced.

On the basis of these levies, a house having a frontage of 66 feet and an annual water bill of \$32.00 would pay the following amounts annually after connection has been made to the system:

66 feet frontage @ 27¢	\$ 17.82
Connection Charge	24.78
Service Charge	143.36
Total	\$ 185.96

Any rate payer may, within twenty-one days after the first publication of this notice send by prepaid post to the Clerk of the Town of Deseronto at the address given below, a notice in writing stating his objection to this proposal or to the imposition of the sewage rates.

The Ontario Municipal Board may approve the agreement between the Town of Deseronto and the Ontario Water Resources Commission with respect to the provision of the sewage service but before doing so it may appoint a time and place for a public hearing when any objections will be considered but notice of such hearing will be given only to those persons who have given notice of objection as provided for above.

Plans may be inspected at the office of the undersigned during business hours.

DATED AT DESERONTO and first published this Second day of April, 1969

Mr. J.C. Reynolds,
Clerk Treasurer,
Town of Deseronto,
P.O. Box 310,
DESERONTO, Ontario.

Demorestville

On March 29th, the U. C. W. of Demorestville sponsored a variety night in the Hall, which was a great success. There was standing room only. The U. C. W. members wish to express their sincere appreciation to all those who contributed toward the success of the evening. Thanks to all members for assisting with the selling of popcorn, candy, and chocolate milk. Thanks to our master of ceremonies, Mr. Bob Hall who did a wonderful job. Everything was appreciated.

Belleville visitors—Mr. and Mrs. Vic Williams of Belleville spent Sunday with their aunt and uncle Mr. and Mrs. Shelley Williams.

West Lake P.E.C. — Mr. Bill Blower, and Mr. Harley Clark called on Mr. and Mrs. Williams on Sunday.

Mr. and Mrs. Fred Hawley and family spent Saturday with their daughter and family in Pickering.

Local and Personals

The Explorer group of the Presbyterian Church of the Redeemer, had a party Thursday evening, April 3. After games and refreshments they delivered "wee" Easter baskets of candy to several shut-ins.

Mr. and Mrs. Marvin Brooks and baby Keith of Woodstock visited their parents, Mr. and Mrs. Keith Brooks and Mr. and Mrs. Blake Moore, on Easter weekend.

A family Pot-Luck supper was held at the home of Mr. and Mrs. Keith Brooks in honour of their son Marvin and daughter-in-law, Linda's birthday.

Among the many guests were Linda's parents, Mr. and Mrs. Blake Moore and Marvin's grandparents Mr. and Mrs. Percy Brooks. A huge birthday cake with candles, was enjoyed and both Linda and Marvin received many lovely gifts. Music was provided by Mayor Jim Sharpe and the young folk enjoyed dancing while the older folks played cards. The showing of movies of family activities was an important feature of the evening.

Mr. and Mrs. Norman Dimmell, Christine and Shirley, of Ottawa, spent Easter week-end with her mother, Mrs. C. Dimmell, St. George Street.

Mr. and Mrs. Hugh McQueen of Fort Erie, spent a couple of days with Mr. and Mrs. Blake Moore, having attended the funeral of the late Delbert McQueen, Kingston.

Port Perry Visitor—Mrs. H. Goulding spent a day with her parents, Mr. and Mrs. Shelley Williams.

Mrs. Joe Malone of Toronto, Mr. Ted Foster and sons, Kevin & Bryan, and Mr. Paul Knapper were visitors at the home of Mrs. T. L. McCullough on Monday.

Visitors at the home of Mrs. T. L. McCullough, Easter Sunday were Mrs. Daniel Allen, Mr. and Mrs.

Lloyd Knapp and family of Brockville.

FARM NEWS FOR HASTINGS

A Matter of Choice - W.D. Tipper.

Now that the dairy farmers have heard the announcement on the National Dairy Policy for the current year, the second important point that is in the mind of the can milk shipper is the question of bulk. By bulk, I mean, whether or not to go into bulk tank operation. The decision revolves around the problem of whether the individual is big enough in terms of milk produced to warrant the expenditure. Some of the facts that influence the whole situation and must be taken into consideration includes the following stepped-up quality programs, demands for more on-the-farm improved cooling of milk, the establishment of proper milk houses and of course last but not least, transportation with all the questions of economics and flexibility that must be considered.

On top of this, the individual farmer has to decide on a future program. First of all, he has to

consider his present age and how long he would expect to be in the milk production business; secondly, he has to consider whether he will tackle it on an expansion basis, increasing his volume, and also consider whether he has the labour requirements necessary to carry it. The third distinct choice is now appearing on the scene with the changing pattern that is presently appearing in the milk industry. This changing pattern is bringing about enlargement of heads and with this, requirements for bigger bulk milk tanks. As a result the smaller bulk tanks are becoming available and according to recent reports, at a pretty nominal price. As a matter of fact, some small bulk milk tanks are available in a price range competitive to second hand can coolers. Taking these points into consideration, the smaller operator who evaluates his situation and decides that he is not going to be in any significant expansion program, can, for a reasonable sum of money, get into a bulk operation that can be justified in his farm business.

There is no requirement for bulk milk tanks by any central

body but economics and management in the whole milk industry tend to develop this trend and it is coming faster than a lot of people think. As a result of this right now is the time for the smaller dairy farmer to take a look at the situation and decide what he intends to do in the future and make plans accordingly. It is not as impossible as some people think and the Capital Grants Program can be applied to help on the construction of the milk house while will ease the situation in a considerable amount. Information on milk house construction, help with the selection of the site, and details on the Capital Grants Program can be obtained from the Stirling Office of the Ont. Department of Agriculture and Food.

Trimester Agricultural Program at K.C.A.T. - Ray B. Pender. (Cont'd on Page 9)

A Visit To A Sugar Bush

On Wednesday March 26th, the pupils of grades 4 and 5 accompanied by their teachers Mrs. Walsh and Mrs. Jordan were taken to visit a sugar bush owned by William Collins of the Thomasburg area. They reached the farm by bus and were transported by tractors and wagons some 2 miles in to the sugar bush. There they visited the evaporation shed and watched the boiling down of sap. Each child was given a sample of syrup to taste. The guided tour of the sugar bush was sponsored by the Moira Conservation Authority. This is the first term of the many field trips to be taken by the pupils of Deseronto Public School.

Written by grade four and a five.

FARM NEWS FOR HASTINGS

(Cont'd from page 8)

The first summer semester in agriculture to be offered at the Kemptville College of Agricultural Technology will begin May 5th and end August 1st, it was announced by Dr. F. A. Stinson Principal of the College.

In announcing this new departure, Dr. Stinson noted that much greater use can be made of College facilities by moving to the trimester program.

Hasti-Agri-Gram-April 3, 1969.

The College Farm will provide excellent opportunity for crop production studies and management decisions where soils and farm equipment are involved during the growing season. The new trimester program will run concurrently with the home economics semesters successfully started a year ago.

Students can begin studies, in May, September, or Jan. It will now be possible to complete diploma requirements in agriculture in four successive semesters or to take longer if the student requires more time.

Through a wide selection of elective courses, students will have a much greater flexibility in choice of subjects. This choice of subjects can be extended to persons who may wish to take one or more courses without acquiring a diploma in agriculture.

Where do I apply?

Further enquiries, application forms, and calendars with complete information regarding courses can be obtained from:

The Director,
Kemptville College of Agricultural Technology,
Kemptville, Ontario.

CONSUMER NEWS

Garden Hints

The bulbs of forced tulips, hyacinths, and daffodils, etc. must be allowed to mature when they have finished blooming, say horticulturists with the Ontario Department of Agriculture and Food. Make sure they have sufficient light and water to keep the leaves green. This enables the bulbs to store enough food for next year's growth. When the leaves begin to turn yellow

reduce watering and let the bulbs dry out. Store these for fall planting or put them in the garden this spring. The same bulbs should not be forced again next year.

Rake lawns in the spring as soon as the ground is dry, but before the growth begins, recommend Ontario Department of Agriculture and Food horticulturists. Spring raking should be light enough to remove only dead leaves and twigs. For this purpose, a leaf broom is handier than a heavy steel rake. Don't try to take all the dead grass out of the lawn. It will rot and disappear.

Most lawns require about four applications of fertilizer each year, say horticulturists with the Ontario Department of Agriculture and Food. The first application should be given in early spring before active growth begins. Turf fertilizers such as 12-2-6, 10-6-4, or 7-7-7, are suitable for lawns. Follow directions on the bag for rates of application. Care must be taken to make a uniform distribution with no unfertilized strips.

The protective mulch on the strawberries and other tender garden plants should not be removed in spring until the danger of severe frost has passed. Horticulturists with the Ontario Department of Agriculture and Food advise that late frost damage may be avoided if the mulch removal is delayed. It is also wise to leave protection on shrubs and evergreens until danger of severe frost has passed. If the protection is removed too early, cold nights and harsh dry winds can easily cause frost damage to plants that have been protected all winter. New Annual Varieties For Bright Display.

Marigolds, petunias, snapdragons and asters are favorites of every home gardener. Some of this year's new varieties may interest you, say horticulturists with the Ontario Department of Agriculture and Food.

Marigolds are hard to beat for continuous bloom, variety of form and color, and freedom from disease. "Spanish Brocade" is a new dwarf variety with 2½ inch golden-yellow to mahogany red blooms. "Moonshot" is a newly-blooming variety with bright yellow flowers on 14-in. plants.

Petunias are easy to grow, reliable, and showy. They bear a profusion of colorful blossoms throughout the summer. There are two major groups, multi-flora with its profusion of small flowers, and grandiflora which has larger but fewer flowers. Both types come in single and in double flowered forms. One of

the new multifloras in "Miss Blue" a double lavender-blue with prominent veining. "Pink Bells" is a new bright pink with single flowers that are tolerant of bad weather. All of the best large-flowered singles can be obtained in a mixture called "Royalty."

Education Is Business of Citizen

Education in Hastings county is not the business of one man or of one board but is the business of every citizen in the county.

This was the statement of Eric Runacres, director of education for Hastings county as he spoke to the Hastings Farm Service Club at an urban day luncheon held recently at Stirling.

Guests at the luncheon included service club members from Stirling, Tweed, Madoc, Belleville, and Trenton, along with representatives from the county board of education and county council.

Mr. Runacres said the purpose of the county board of education was to create equalized opportunity for education for all students regardless of where they live.

One of the main objectives was to meet local needs, present varied programs for everyone with equitable distribution of costs throughout the county.

To a later question regarding the fear of lack of communication with a large county board, Mr. Runacres said board members must find ways of providing the initiative for local autonomy. The trustees will be the key contact group who will work with local principals, he said.

Meeting chairman was Kenne-

th Mumby, President of the Hastings Farm Service Club, who said that over the years agricultural groups have received support in many ways from service clubs. The Urban Day luncheon was an effort by the club to say thank you, he said.

EDUCATION BOARD COMPLETE ACADEMIC RE-ORGANIZATION

With the appointment of two area superintendents for the southern sections of Hastings county, the board of education has completed its academic administrative re-organization.

E.T. Morris of Trenton has been appointed area superintendent for the south-west Hastings district, comprising the area west of the Moria River in Sidney and Thurlow townships, including west Belleville.

In addition, he will be supervisor of special education, with the School for Retarded Children under his jurisdiction.

Mr. Morris was superintendent for the Trenton board of education before the creation of the county board Jan. 1.

Assisting him will be J.M. Cousins, formerly an assistant superintendent with the Belleville Public School board.

R.D. Horwood, a former assis-

tant superintendent with the Belleville board has been appointed the official in charge of the south east Hastings district. This district is composed of east Belleville, most of Thurlow and Tyendinaga townships.

In Feb. the board appointed Frank Tate, Tweed, as centre Hastings superintendent, and G. A. Watson, Bancroft to the same

position in North Hastings.

All area superintendents are in charge of both the elementary and secondary schools in their jurisdiction. They act as liaison officers between teachers and principals in their area, and the administrative staff at the board headquarters in Belleville.

THE DESERONTO AND SKYWAY SCANNER

Volume 2
Number 6
Circulation
2000
April 16, 1969.

Practice makes perfect! Do you suppose they'll look this energetic when they finish the 20-mile walk?

WALKERS TAKE HEED!

Deseronto United Church's walkathon is slated to start at 8 a.m. sharp this Saturday, April 19th. This will enable the walkers to reach their objective by about three in the afternoon. Some may even come in as late as dusk! Participants are asked to bring their sponsor forms with them on the walk so that their mileage may be stamped at the rest stations along the way. They are reminded that they must collect the money from their sponsors themselves. All money received by the church will be acknowledged by receipt, if the amount involved from a donor is \$1.00 or more.

Contestants are urged to bring 2 changes of socks and wear thick soled shoes. Talcum powder will be available at the rest stations along the way.

It is rumored that one well-known Deseronto parson has \$10. per mile pledged, and plans are being made to carry him bodily

the remainder of the way after he collapses.

Participants are coming from as far away as Whitby, and the objective of 100 walkers has been reached.

Local and Personals

Mrs. Verna Jakacs of Buffalo N.Y. has returned home after spending a week in Deseronto visiting her mother, Mrs. Lena Pelkey, Main Street.

The Presbyterian Sunday School had a party on Friday evening, April 11, in the Sunday School room. In a contest held for the past 9 Sundays the "Red" team won and the "Blue" team lost. The losers had to bring sandwiches and cookies and help

serve them to the winners. The Sunday School teachers looked after the drinks, and led in song and games. A good time was enjoyed by all.

Mrs. Roger McDonald and son Roddy, of Kingston, spent a few days with Roddy's grandparents, Mr. and Mrs. Blake Moore.

Mrs. Ira Claus, of Mill St., spent the day with her granddaughter, Mrs. Bob Hill and family of the Tyendinaga Reserve.

Weekend guests of Mr. and Mrs. Jack Hamilton were Mr. and Mrs. Carl Harrison, Bruce & Bryan of Willowdale.

Mr. and Mrs. Normand Fairhurst, and sons, John and Stephen of St. Bruno Que. were weekend guests of Mr. and Mrs. Merton Cummings, Thomas Street.

COMBINED CHURCH SERVICES

This Sunday, April 20th the congregation of St. Mark's Anglican Church will attend Deseronto United Church for a combined service. The following Sunday, April 27th, the Deseronto United Church congregation is invited to attend services at St. Mark's Church.

WINNERS OF DRAW

The following names are the winners of the L.O.B.A. 50-50 draws that have been held since December.

Dec. Ann Uens, Point Anne, Jan. Vivian Brant, Deseronto, Feb. Phil Votour, Deseronto, Mar. cancelled because of delay in ticket order. April Vannie Keech Deseronto won \$45.00

The draw is held every second Tuesday of each month.

REAL ESTATE CHANGE

Mr. Joseph Kasp (a supervisor in a high rise apartment in Toronto), has purchased the home at 424 Main Street, formerly owned by Mrs. Shea. The transaction has completed through Solomon Robbins, representative of H. Keith Ltd., Realtor.

Marysville C.W.L.

The April meeting was held Tuesday evening in Holy Name of Mary School. President, Mrs.

Bill Walsh presided and minutes of the last meeting were read by Mrs. Ambrose McCambridge.

Rev. Father Dwyre presented the slate of officers for the coming year.

(Cont'd on Page Two)

NOTICE

WITH THE RAPIDLY RISING COSTS OF PRODUCING A WEEKLY NEWSPAPER, WE FIND IT NECESSARY TO SELL THE DESERONTO AND SKYWAY SCANNER ON A SUBSCRIPTION BASIS. THE DESERONTO SEA SCOUTS WILL BE SELLING YEARLY SUBSCRIPTIONS IN THE VERY NEAR FUTURE. WATCH FOR FURTHER INFORMATION IN NEXT WEEK'S EDITION OF THE SCANNER.

Marysville C.W.L.

(Cont'd from page 1)

Post President-Mrs. Bill Walsh
President-Mrs. Don McLaren
1st Vice Pres. Mrs. Jack Sexsmith
2nd Vice Pres. Mrs. Fred Farrell
3rd Vice Pres. Mrs. Kenneth Power
Secretary-Miss Francis Shoughnessy

Treasurer-Mrs. Gerald Forestell
Father Dwyre then thanked the retiring executive and all the members for their assistance in Parish activities.

Plans were made regarding the installation of the new executive at a dinner meeting to be held May 13, after which slides will be shown by Mr. Buckley.

The members were asked to continue knitting 6" squares to be sent to Mrs. George Brown before the end of May.

The Director appointed Mrs. Leo McAlpine as convener of publicity for the coming year. There are 7 members of the Parish Council canvassing for the Canadian Cancer Society during this month.

The meeting closed with prayer, after which Mrs. Ronald Cronin showed a film entitled "Sylvia growing up" and lunch was served.

Officers of the Belleville Detachment of the Ontario Provincial Police last week worked 1,232 duty hours while patrolling 12,513 miles of Provincial Highways and other roads.

5 thefts, 6 Break and Enters 3 disturbances, and 41 other miscellaneous occurrences were reported and investigated.

9 motor vehicle accidents were reported and investigated. In three of these accidents, 3 persons were injured but none

seriously. There were no fatal accidents during this period.

91 charges were preferred for offences under various Federal and Provincial Statutes. 83 cautions were given for minor infractions of the Highway Traffic Act.

The Belleville Detachment Safety Officer visited 2 schools and gave 5 talks to 155 children. 2 requests for assistance were received from another Police Dept and assistance was given.

There were 21 convictions in Provincial Judge's Court. Officers spent a total of 19 duty hrs. in Court.

When you walk where there are no sidewalks, day or night, always walk so you are facing oncoming traffic. Don't turn your back on a driver who might not see you in time to avoid hitting you. Walk so you are facing oncoming cars, and be ready to step aside to safety whenever necessary. Remember—you can't avoid trouble if you can't see it coming.

Live below your means.

If you'd like to get around the high cost of living, we have a suggestion.

Cut down on the high cost of getting around. And buy a Volkswagen. It's only \$1998.00. A VW saves you hundreds of dollars on upkeep over the years.

It takes more, not more, of oil. Not one iota of antifreeze. And it gets about 32 miles to the gallon. So the more you drive the more you save.

Let's Talk

BOWLING

BY
A. Headpyn.

Hi Bowlers, back again and after last week's very unforgivable error, regarding the award won by Joyce VanVlack. Our informant certainly was off the beam. Our sincere apology to all concerned. The W.I.B.C. Award was for the first Triplicate rolled in the local lanes. That means all three games with the same total. Rolling three games with the same total is some stunt — try it sometime. Anyway, Joyce did it and our congratulations to her. Speaking of uncommon feats in our wonderful game of bowling, Joe Jordan rolling in the Read 5-pin mixed league rolled an all-spare game last Monday, which has not been done for sometime. Nice going C.P. — another item of interest to the Read bowlers we were told on excellent authority (Gerald Brennan) that the Farouts having six players, had the grand total of two strikes in one game — man that is farout! Our advice is to get in the groove man, get in the groove. However, leaving all joking aside, one does experience some very off colour nights when the derved ball never goes where it is supposed to and of course, there in lies the sport of the game. As one gentleman put it some yrs. ago, lip reading of the players returning to the seating area is very informative!!!

This is the time of the season when champions are declared. The players who have fought and

struggled all season to come out on top and who have been regular in attendance have and will get their just rewards. Everyone cannot be a winner, but every one can be a good loser & every year in the past this attitude has been exemplified in our wonderful world of bowling and this yr. has not been an exception. Already this sportsman-like attitude has been exemplified this past week, and that is good.

Hick's Motors team are again the league champions, repeating again from last season. To Capt. Linda Johnstone, Jackie Thompson, Dora Moon, and Dorothy Watters, congratulations on your repeat performance of being the Champions of the Deseronto Lady's Ten Pin League.

While talking about the ladies ten pin champions, let us not forget the men's champions. Although the last of the schedule has not been played, the Ideal Venders 10 pin team have the league championship all but sewn up so to speak, in fact they now cannot be removed from the No. 1 spot.

To Stan Brant, Cal Loney, Bob Sherman, Bill Whitton, and Jim Crispe, well done and congratulations. Again these gentlemen have proven that good bowling skill and good attendance are still the main ingredients for the making of a team of Champions. Well done chaps.

Over in the five pin section, of our bowling world, our Canada game in the T. B. L. League the happiest players have got to be the Happy Six, the league Champions. After a slow start at the beginning of the season and being chased by the Rebels all season, Bud Maracle's Happy Six (Cont'd on page eight)

WHAT IS BIGNESS ?

Considerable confusion exists in the viewpoints of many farm operators. The common complaint is that everyone seems to be telling the farmer that he has to get bigger. The trouble is that this question of bigness is too often interpreted in terms of acres or of numbers of cows. This is particularly true in the dairy industry, where the farmer thinks in many cases the bigness means doubling his herd. My interpretation of business is the most and best production that can be achieved as a result of the individual's efforts. To me, a more correct saying is "better before bigger than big enough to meet requirements". Let's take a look at the dairy industry as an example. If the average milk cow produces 7500 lbs. at the present time, and the provincial Dairy Herd Improvement Association average is 10,500 or better, then we have a lot of opportunities to get better within the same framework we presently own. If in the crop world, our country average for barley is 44.2 bushels per acre, and the provincial average is 46.3 bushels per acre, then there is not much of a difference. But at the same time a crop summary we conducted in the county in 1968, showed that this group averaged 58.6 with top yields in the 90 bushel class then there is a real chance to get better in the crop production.

In recent articles, I wrote about the possibilities of the relatively small shipper getting in to the bulk milk business, the suggestions made are still valid. They have been discussed with many shippers throughout the county. It is quite obvious that many people object to the thoughts of the bulk milk system because it seems to tell them that they have to have a bigger operation. What I was trying to suggest in a positive way--that there is an opening for many of our smaller shippers in the bulk business and at costs they can afford.

Industrial milk shippers who have made decisions to get bigger have to take into consideration two or three basic points. First of all, if we think of medium quality cows with production of about 10,000 lbs., the cost of producing milk per hundred weight decreases sharply only up to about a 30-cow size. Beyond 30 cows, this decreased cost disappears and the returns have to be considered strictly as a straight production operation. Most important is the fact that there is a good deal of variation in costs among farms producing the same amount of milk. As a

result, a comparatively small but efficient dairy farmer can earn the same income as a much larger, less efficient operator. This leads back to the primary point of getting better before bigger because then the bigness will really pay off.

The Tigers, the Read League Champions. Seated, left to right: Frances Shaughnessy, Eileen Kennelly, Carolyn McGuinness. Standing, left to right: Grant Kimmerly, Joe Forestall, Ambrose McCambridge.

Deseronto Ladies 10 Pin Champs. Left to right, Capt. Linda Johnstone, Dorothy Watters, Dora Moon, Dawn Scott, and Jill Thompson.

LET'S TALK BOWLING

(cont'd from page five)

team are now Champs and so congratulations and best wishes to Capt. Bud Maracle, Burgett Maracle, Carman Brant, Victor Brant, Evelina Maracle and Jim Maracle the worthy winners of the top place trophies.

In the men's commercial league, after a see-saw battle all season Bennett Brant's Black Hawks have emerged the winners and Champions of the league, but not before the balance of the league gave these boys a run for their silver ware. The league was small, but the competitive spirit was big and so now, the fellows will enter the play-downs which will end with a five game roll-off on April 24. Taking no bets - Are you?

In the Marysville mixed five pin league the winners for the league championship are the Tigers. The end of the schedule ended up something like this, entering into the final night, if the Turtles should take X number of points and if the Tigers lost a few, then that would put the Hawks in sort of a three way tie providing another team dropped a couple of points. Man it sure was a real wing ding, however, Am-

brose McCambridge, the team Captain settled his players down did a lot of talking and led his Tiger team to the victory they richly deserved. We salute the Champion Tiger team of Capt. Ambrose McCambridge, Frances Shaughnessy, Grant Kimmerly, Carolyn McGuinness, Joe Forestall and Eileen Kennelly. The play-offs will be next week, and after the closeness of these teams all season, it is anyone's guess as to who will become the Play-off Champions.

The Bowl-O-Prize tournament prizes were distributed to the tournament winners this past week. In the five pin section and in the order of their finish and recipient were Ray McLaren, Lloyd Scero, Phyllis Green, Jack McFarlane, Doug Kleinstuber, Ambrose McCambridge and Carl Tinney. In the ten pin section and in the order of their finish are Stan Brant, Willie French, Cal Loney, and Fred Husband.

Some of the coming events of interest to all bowlers within the next few weeks: The Ontario 10 pin tournament being held at the Clover Leaf Lanes in Kingston Paul & Mike's 10 pin tournament at Watertown Bowl; the 10 pin Zone Roll-off for the Bowl-O-

DESERONTO TOWN COUNCIL HOLD REGULAR MEETING

On Monday, April 21, 1969, the regular meeting of Town Council was held with all members present. Following the minutes of the previous meeting, the council went into a committee - on - the whole meeting. Correspondence was then read as follows: Fire Dept. - re telephone number, Hisey & Barrington-re Stand Pipe report, Hisey & Barrington - re painting stand pipe. Hisey & Barrington - re drain pipe on stand - pipe; O.W.R.C. re - inaccuracy in sewer project notice. National Ski Team asking for contributions. Dept. of Municipal Affairs - re increase in interest rate.

The accounts were turned over to the finance committee for approval and payment.

Councillor Gordianor introduced the Fire Chief to enlighten Council as to the protection left in Town when the Dept. is on a Township call. Other reports included a Police Report, a Finance Report by Reeve Armitage, and a streets report by Councillor Brooks. A request from the Town Dump attendant for 6 loads of gravel for the road - way was turned over to the Streets Commission.

Councillor Layfield has asked for an Industrial Committee meeting for Monday night.

A Civic Improvements report was given by Councillor Saunders. By-Laws were read concerning Police Constable, Sewer Rates &

recinding Sewer rates.

Councillor McCullough moved that Doyle's Window Sales be given the job of constructing new glass doors on the front of the Municipal Office at a cost of \$338.50.

Councillor Layfield asked Council's permission to take a 6 month's renewable option on 30 acres of land suitable for industry at a cost of \$100.00. The land is owned by Ralph Kimmitt.

Councillor Gordianor read a request from the V.O.N. to hold a tag day in Deseronto on May 9-10th, and permission was granted.

Next regular session of Town Council will be held on May 5th.

REAL ESTATE CHANGE

The home formerly owned by Mr. George McRoe, 74 Green Street has been purchased by Mr. David Thompson of Napanee. Solomon Robbins of H. Keith Ltd. Realtor, completed the transaction.

UNITED CHURCH WALKATHON HUGE SUCCESS

The 20-mile walkathon under taken by the Deseronto United Church was an unqualified success with 87 of the original 103 walkers completing the 20 mile route.

The whole town got into the act with walkers and sponsors of every denomination taking part.

Some of the youngest walkers who finished the whole 20 miles were Kathy Pfefferle, 9; Howard Pfefferle 8, Brenda Lawlor 9; Florence Aman 9, and Blair Fingland 9. The youngest walker was Dan Dickinson age 7 who went 14 1/2 Miles.

Five or six of the walkers completed the route in less than four hours, and everyone else had finished by three-thirty in the afternoon. The strong winds slowed everyone down and added a few colds to the multitude of aches and pains.

The "Well Known Parson" who had over \$12.00 per mile pledged was one of the first to complete the 20 miles, but rumour has it that he paid for it the next day in aches and pains!

Rest stations along the road were "well - attended" and served refreshing drinks. Walkers papers were stamped at each station with their mileage. Those who maned the stations were Mrs. Jack Spence, Mrs. Sam Knapp, Mr. Walter Robbin, Mrs. Des. Barclay, Mrs. Tom Jordan, Mr. Buff Anderson, and Mr. and Mrs. Don Reid.

Several ladies of the church prepared and served sandwiches, and drinks to the walkers after they completed the walk. They were Mrs. R. Hawley, Mrs. Lena Cummings, Mrs. Ralph Aylesworth, Mrs. Joe Reynolds, Mrs. Ralph Kimmitt, and Mrs. Peter Dickinson.

Receipts will be issued to the sponsors as soon as possible, and all those who walked are urged to collect the money from their sponsors as soon as possible.

Local and Personals

Mr. and Mrs. Ralph Sharpe of Guelph Ontario spent the week end with Mrs. Sharpe's parents Mr. and Mrs. William Sills.

The C. O. C. (Children of the Church) and Explorers, of the Presbyterian Church of the Redeemer, with their leaders, Mrs. Charles Griffiths and Mrs. Kay Hood, attended a children's Rally at St. Columba Church, Belleville, on Sat. April 19.

SURPRISE PARTY HELD

On Wednesday evening April 16th, members of the Presbyterian Ladies Aid, Gathered at the home of Mrs. Don MacMillan for a surprise party. Miss Gladys Pearce thanked Mrs. MacMillan on behalf of the group for opening her home for the making of Easter eggs, and presented her with a gift from the group. Mrs. MacMillan says she loves having the ladies there and has lots of space for, as she jokingly says a "Hatchery". A contest was played, and poems and readings were given. Mrs. Jean Griffiths gave a lovely poem which she had written herself, especially for Mrs. MacMillan. Refreshments were served by the ladies and a very enjoyable evening was had by all.

PURCHASING AGENTS MEET

The monthly meeting of the Canadian Association of Purchasing Agents, Eastern Ontario District, was held the 9 April '69 at the 401 Inn Kingston, Ontario.

The theme for the evening was 'SYSTEMS CONTRACTING' Mr. R. A. Bolton of the Carborundum Company, Niagara Falls, New York, was the guest speaker. He was introduced by Mr. Bill Cook, Manager of the Canfast Company, Toronto. Mr. Bolton was Systems purchasing Coordinator for the Carborundum Co and was responsible for the development and what is now classed as "SYSTEM CONTRACTING".

Mr. Bolton in his speech stated that today 80% of all purchasing activity involves repetitive-use materials, but this activity represents only 20% of the dollars committed by the Company.

The speaker attempted to shatter the ego of purchasing agents by intimating that under their present system they were doing nothing but clerical work due to the amount of paper pro-

cessing in today's systems. He claimed that they were too busy to define the proper responsibilities of their job. Mr. Bolton maintains he knows of what he speaks.

The speaker is the author of a book "SYSTEMS CONTRACTING" which is now in its second printing over 20,000 copies, and it is increasingly being referred to as the "Businessman's Bible." Mr. Bolton stated that Purchasing Agents appear to be concerned with present techniques in defending their job rather than their responsibility they should assume.

Your single biggest problem is paperwork, and you alone are responsible for having lost control. Firms which have adopted Systems Contracting, have placed all their eggs in one basket rather than have a variety of small vendors supply their needs. Systems Contracting overall effect on plant efficiency and corporate profit makes it of vital interest in virtually every phase of the business cycle.

He disclosed that a small plant at Shawinigan, Quebec, a total of 204 firms were at one time supplying the plant's needs

of goods worth \$105,000,000. Under the new system one company now supplies \$80,000,000. and two others have the balance. He now claims he got rid of 201 vendors.

Systems Contracting "makes it worthwhile for your vendor to perform--he's handling a much greater volume of business" and observed that since Carborundum adopted the policy there have been no partial deliveries and no emergencies.

It could be summarized as follows:

- Eliminate excessive paperwork
- Reduce order errors
- Simplify inventory keeping
- Guard against inventory shrinkage
- Prevent stock obsolescence
- Improve service to user departments.
- Cut down the number of employees.

After his speech there was a question and answer period and Mr. Bolton attempted to answer any questions that the Purchasing Agents might have.

The speaker was thanked by Mr. W.K. Templeton of Mead, Johnson of Canada Limited, Belleville, Ontario.

Turkey Plan Admends Approved By Farm Board

Plans to establish marketing quotas and increase license fees in the Ontario turkey industry have been approved, it was announced today by the Ontario Farm Producers Marketing Board. These amendments to the Ont. Turkey Producers' Marketing Plan were approved by the Farm Products Marketing Board, following an opinion poll on April 8 and 9th, when turkey producers voted in favor of the amendments.

Facilities in Ontario for the production of both broilers and heavy turkeys are more than adequate to supply the market, a significant portion of which is outside of the province. The application of quotas will prevent the unnecessary expansion of these facilities until they are required.

In addition, there is a close understanding between the Turkey Producers' Marketing Board and the Farm Products Marketing Board that marketing quotas are to be 100% of the basic allotments which are established. No reduction below the 100% mark will be allowed unless a full investigation proves that such reduction is justified.

Let's Talk **BOWLING**

BY
A. Headpyn.

Hi Bowlers,

Well, it was almost as if we were writing about the results of the lady's ten pin league of last season, the end results are the same, insofar as the players are concerned. Yes, you guessed it, the same teams, same players were and still are the same champions. Hick's Motor's Team gathered in the top silver ware for being the league champions and last Monday, Chapman's Lunch Team won the play-off spot defeating the Ideal Venders Team who were rated by some as the team to beat. However, things have a habit of not working out that way, especially in the bowling world. After a rather shaky start the Chapman Team turned in a good second game and then the roof fell in, in fact on both teams. Neither team seemed to be able to come up with a good third game, but the Lunch team managed to best their rivals

and come up with the champion - dhip. So to team Captain Ina Thompson, Carol Batt, Rita Sills and Elaine Parks, the play-off champions, congratulations. Next season, well who knows? Maybe we will have new players, new sponsors, maybe a sponsored league, a few changes here and there, for the better maybe, or perhaps world events will have a direct bearing on the same well-laid plans. Maybe we had better cross the bridge so to speak, when we come to it, and then be sure we have a plank on which to walk.

The final playoff of the men's ten pin league will start this coming Friday, and it will be the Baz Auto Team versus the team from Gibbards and the Shell Oil team of Anson Lord vs. the Coin Laundry Team. Ideal Venders team finished up as league champions as the schedule ended last Friday in

LET'S TALK BOWLING

(cont'd from page five)

an array of fun, frolic, and a good time.

The Read five pin mixed league ended their schedule last Monday and the Mustangs romped home in a thrilling photo finish to take the silver ware and the championship. It was a ding dong battle right down to the last frame, in fact one of the players on the other team was to be cut off of all cakes and pies by his wife if his team could chould the so-called apple cart, and cause the wife's team to go down to defeat. However genial Gerald soon put a stop to that as he and his friend Earl bought the said player some pastry to take home, so the threat was no more. Of course it was all in the spirit of good fun and things of this nature sure add to the enjoyment of league bowling. However it must be said, as the manager told us, that never had he seen the spirit of good sportsmanship exemplified as was shown by the losers to the winning team after the game was over. Everyone offered the winners congratulations in the form of handshakes a hug and even a little peck of the cheek type of kiss. On that wonderful note of true sportsmanship the official schedule came to a close, so now onto the play-off. No doubt this spirit of fun will be carried into this section of the league and while the teams are evenly matched we will make no predication as to the outcome. To the Read League champions of Marjorie Durkin; Jim Jordan; Jack McFarlane; Roy MacLaren Anne Marie Durkin and Maureen McCullough well done and congratulations on winning the top honours of the league.

After being down some almost a hundred pins the Rebels of the T.B.L. league gathered all their bowling skills together for that 1 push in the third game and came up as play-off champs. Lillian Brant who had bowled well in the first two games still, carried on in the really good support from all other team mates and it was this combined effort of the team all season long that gave chase to the league champions the Happy Six and then it really paid off in the form of Play-off Champs.

Again handshakes and good wishes of congratulations and the spirit of good sportsmanship was seen being offered by the losers to this Champion Rebel team of Norma Maracle (capt), Bill Brant Lillian Brant, Sheridan Maracle, Diana Maracle, and Bernice Maracle. Well done Rebels.

The Friendship League will wind up their bowling activities this week. A full week it will be as the end of the schedule ends April 22nd, then the play-offs will take place on the following Wednesday and Thursday with the awards presentations, banquet and dance on Saturday night in the Legion Hall. President A I Fraser and his committee has planned a bang-up night of fun and frolic and a good time, so members do not miss this great evening that ends the successful bowling season.

The men's commercial league ends their bowling activities this week also the finals will be rolling between the Canada Optical team and Bennett Brant's Black Hawks in a five game block. Then on April 26th a steak dinner will be served and at which time the trophies will be given to the players according to their merits won during the past season. A 5 game roll off to some, seems rather far-out, but, the extra games seems to separate the bowler from the boys so to speak, however, in this case they are all good and it should be a wing ding battle. Drop in to see the town's top bowlers in action, you may pick up a point or two on how to improve your game.

That's all for this issue, we will keep you posted as the champs

are created. Oh yea, a 10 pin spring league being formed now and also the Annual Mr. & Mrs. Tournament Prizes may be seen in the lobby.

This annual tournament is a handicap event just for the bowlers of Lucky Strike Lanes and at the present time over fifty per-

cent of the entry will receive prizes, if, more than the set amount of entries enter then more prizes will be added to the prize board. So why not join now? The final will be played this year here at our own lanes on June 1st at 2 p.m. Get your entry forms now--do it today.

NOTICE

TOWN OF DESERONTO

A notice was published in the issues of the Napanee Beaver and the Deseronto and Skyway Scanner dated the second day of April 1969, and the 9th day of April 1969, pertaining to a proposal whereby the Ontario Water Resources Commission would construct a sewage works project at an estimated cost of \$ 1,210,305 for the Town of Deseronto. The collector sewers to be constructed were shown in error. The streets to be serviced should read as follows:

ON	FROM	TO
Main Street	Mechanic Street	First Street
Second Street	Dundas Street	Main Street
Thomas Street	First Street	Pearl Street
Stanley Avenue	975' East of Centre Street	Centre Street
Pearl Street	325' N. of Dundas Street	Main Street
Dundas Street	West Street	College Street
Maple Street	1300' E. of Mill Street	Mill Street
Mill Street	Water Street	Maple Street
Centre Street	Main Street	Maple Street
St. George St.	Main Street	Maple Street
Brant Street	Main Street	Maple Street
Green Street	Main Street	Maple Street
Edmon Street	Centre Street	Mill Street
Dundas Street	First Street	Brant Street
Fourth Street	Dundas Street	Main Street
Prince Street	Dundas Street	Main Street
Mechanic Street	Park Street	Main Street
Park Street	Mechanic Street	College Street
College Street	Dundas Street	Main Street
First Street	Dundas Street	Main Street
Fourth Street	Water Street	150' S. of Water St.
Maple Street	Mill Street	750' W. of Brant St.

It is noted that there are no other changes in the description of the proposed sewage works, the rates to be charged or any other particulars shown in the original notice.

Any rate payer may, within twenty - one days after the first publication of this notice send by prepaid post to the clerk of the Town of Deseronto at the address given below, a notice in writing stating his objection to this proposal or the imposition of the sewage rates.

The Ontario Municipal Board may approve the agreement between the Town of Deseronto and The Ontario Water Resources Commission with respect to the provision of the sewage service but before doing so it may appoint a time and place for a public hearing when any objections will be considered but notice of such hearing will be given only to those persons who have given notice of objection as provided for above.

Plans may be inspected at the office of the undersigned during business hours.

DATED AT DESERONTO and first published this 23rd. day of April, 1969.

Mr. J.C. Reynolds,
Clerk-Treasurer,
Town of Deseronto,
P.O. Box 310,

Tyendinaga East W.I.

The April meeting was held in the Superior Banquet Hall, Napanee, of the Tyendinaga East W.I. On the evening of April 8, 1969. Following a delicious turkey supper the Annual Meeting took place. The roll call was answered by "A recent event in your community, township or county, and the paying of fees. There was an attendance of twenty-six.

Reports of standing committees were given as follows: Mrs. W. Johnson-Home Economics and Health
Mrs. R. Stapley-Agric. and Can. Industries.

Miss Irene Mowers-Historical Research and Current Events.
Mrs. D. Harvey - Resolutions Public Relations-Mrs. C. Akey
Curator of Tweedsmuir History-Mrs. C. Akey.
Mrs. G. Kimmerly seconded the adoption of these reports.
Mrs. R. Tucker conducted the election of officers for the coming year.

A report of the nominating committee was given by Miss G. Mowers and it was moved by Mrs. H. Kimmerly, seconded by Mrs. D. Shelley that the following slate of officers be accepted
Past Pres.-Mrs. R. Wagar
Pres. - Mrs. F. Keyworth
1st Vice Pres.-Mrs. R. Stafford
2nd Vice Pres.-Mrs. D. Shelley
Sec. Treas.-Mrs. F. Thompson
District-Director-Mrs. R. Tucker
Alternate-Mrs. H. Kimmerly
Public Relations Officer-Mrs. C. Akey.

Branch Directors-Mrs. C. Russell, Mrs. D. Harvey, Miss G. Mowers.
Curator - Mrs. C. Akey
Auditors - Mrs. G. Kimmerly, Mrs. C. Russell
Pianist - Mrs. C. Akey
Social Committee-Mrs. H. Kimmerly, Mrs. G. Kimmerly
Sick and Flower Committee-Mrs. W. Johnson, Mrs. D. Shelley
Convenors of Standing Committee, Home Economics and Health
Mrs. W. Johnson.

Agriculture & Can. Industries - Miss G. Mowers
Historical Research & Current Events - Miss Irene Mowers
Citizenship & Education - Mrs. R. Stapley.

Resolutions - Mrs. D. Harvey
Installations of officers was conducted by Mrs. R. Tucker. Several items of business were attended to and correspondence read. Members were appointed to be delegates to the district annual and Tweedsmuir Tea. An invitation is to be sent to district secretary inviting Hastings East District to hold their annual meeting at Empey Hill in 1970. Pennies for friendship were hand-

ed in and are to be presented at the district annual at Roslin United Church on May 9th, 1969. The executive is to meet at the home of Mrs. Fred Keyworth, Napanee, on April 15th to prepare programmes for the coming year. The 4H Club are to be asked to give their demonstrations at the May meeting.

Miss Irene Mowers chose as her subject Tommy Hunter in her paper "A Canadian who will become famous" and gave a very interesting talk. The following programme was in charge of Mrs. D. Shelley.

Reading Apr.-Mrs. MackTucker
Reading "Signs of Spring" - Mrs. R. Hudgins.

What kind of organization is

this to which we belong- Mrs. S. Helley. A travelling prize was won by Mrs. C. Akey.
Light contest was won by Mrs. W. Johnson
Reading "The Work of our Hands" Mrs. D. Harvey.

Contest on old sayings was won by Mrs. Frank Thompson. The meeting closed with the singing of the Queen.

Skyway Lounge Team Wins Molson Trophy

The Skyway Lounge of Deseronto climaxed a successful sea-

son by defeating the Napanee Hotel Team 10-7 to capture the "A" division playoff championship of the Belleville & District Shuffleboard League.

The victory in the home & Home series gives the Skyway team the Molson Trophy, the top playoff award in the local shuffleboard league.

The nine man Skyway League team is composed of Rudy Pfefferle (Capt.) Dennis Jackson, Randy Boomhour, Harold Asseltine, Jess Silvers, Ed. Baker, Bob Beattie, Harold Sero and Ralph Jackson.

DESERONTO RED CROSS

The regular monthly meeting of the Deseronto Branch of the Red Cross met at the home of Mrs. M. Sherman, Mill St., on Wed. afternoon, Apr. 9, 1969, with 11 members present. Pres. Mrs. Gordon Walker opened the meeting with the Lord's Prayer, & the minutes of the last meeting were read and approved.

Correspondence included many thankful notes for cards and also a letter from Campaign Director from Headquarters congratulating

the Branch on such a successful campaign, as we went over our quota.

The Card Convenor reported that a total of 78 cards were sent for the month, and this included get-well, birthday, sympathy and Easter Cards. This is a part of our branch work that we all take part in financially as it is done entirely by our Branch members.

Women's work reported more sewing to be done, and more volunteer sewers are needed to get our quota finished.

The Branch made final arrangements for the convention delegate Mrs. H. Reid and Mrs. M. Sherman to attend the convention in

**Annual Meeting
of C.W.L.**

A pot luck supper was held in the Lions Hall on Green St. which was very much enjoyed by the League and the Holy Name Society. The annual meeting took place after supper which Father Dwyre opened with prayer. The reports for the year were read and approved and showed much had been accomplished.

It was decided to send a n Easter offering of \$25. to Father Dwyre.

The new slate of officers was brought in and was most satisfactory.

Past Pres. - Mrs. R.E. Dowling
Pres. - Mrs. M. Sherman
1st Vice Pres. Mrs. M. Dowling
2nd Vice Pres. Mrs. M. Cassidy
3rd Vice Pres. Mrs. Anson Lord

Secretary - Mrs. T. Whalen
Treasurer - Mrs. Don Reid
Convenors - Mrs. Eli Gendron
Mrs. Gordon Brennan, Mrs. E. Dorey, Mrs. T. Murphy, Mrs. Peter Morris.

A note of thanks was delivered to Mrs. Sherman for her work during her term in office.

It was agreed to sponsor Miss Elizabeth Dowling on her walk for Miles for Millions.

Mrs. M. Sherman was appointed delegate and Mrs. E. Dorey, a alternate delegate, to the Annual Convention of the League to be held at the 401 Inn Kingston on May 24th and 25th.

Bazaar date was set for Oct. 4th and it was decided to hold a Rummage Sale on May 24th.

A mass for the living members will be offered on April 26 (The Feast Of Our Lady of Good Counsel) or as soon thereafter as Father Dwyre can conveniently

Mrs. Anson Lord offered her home for the May meeting. Mrs. Gordon Brennan moved the meeting adjourn.

The meeting closed with a prayer. Euchre was played and enjoyed by all.

**RE-ORGANIZING WHITE
ELEPHANT STORE**

The first meeting of the year of the "White Elephant Store" ladies, was held on Tuesday evening, 7-15, April 15, at the home of Mrs. Blake Moore. The executive is as follows:

Pres. - Mrs. Charles Griffiths 396-2706

1st Vice Pres - Mrs. Blake Moore
Treasurer - Mrs. Gordon Walker 396-2107

Secretary - Mrs. Kay Hood 396-2119

From now on the "White Ele-

phant Store" will be run by volunteer help not necessarily be - longing to a church group. Any-one interested may call the above phone numbers. It was moved by Mrs. Moore and seconded by Mrs. Walker, that \$60. be given to Parks board for flowers for the parks. Plans were made to open the store around May 15. Donations of Furniture and dishes especially needed. It is hoped a meeting of the ladies can be held once a month. Meeting adjourned and a social hour enjoyed over a cup of tea, so graciously served by the hostess, Mrs. Moore.

ANTIQUES ON DISPLAY AT LIBRARY

Now on display in the Deseronto Public Library is an arrangement of jugs and pitchers by Mrs. M. Kathleen Allin from her antique shop in Deseronto, along with a few on loan from neighbours (Mrs. E. Robinson, Mrs. R. Boyce, and Mrs. C. Dimmel).

Among the various types of glass are: Bristol coloured and clear pressed and blown glass, End of Day, or spatter glass, threaded glass, carnival glass and cut glass.

The china category includes Royal Bayreuth, Parian, Bavarian, English and Oriental.

Then there is Majolica, Copper lustre, silver lustre, Gaudy and Tea Leaf Ironstone, Benning-ton type milk glass and flow blue.

Of special interest is a group of cow cream pitchers and several with birds, a bread and milk set, a pottery ink jug, a replica of the copper jugs used to distribute milk from door to door on Jersey Island also a blown glass and pewster stein inscribed: "C. G. Borman 1833" Do not forget our friendship

These will be on display until the end of May.

ENGAGEMENT

Mr. and Mrs. Jack Layfield, Deseronto, are pleased to announce the engagement of their eldest daughter, Norma Jane, to Frederick Brian Fitchett, son of Mr. & Mrs. Gordon Fitchett, Nanawee. The marriage will take place at St. Mark's Anglican Church, Deseronto, on Saturday, May 31st, at 3:30 P.M.

Deseronto Brochure To Be Revised

The Town of Deseronto Visitors' guide will soon be reprinted with up to date listings of all

businesses and services as well as a brief description of the past history of both the Town of Deseronto and the Tyendinaga Indian Reserve.

This brochure is distributed to all parts of the county from time to time and should therefore be as complete and informative as possible.

If you have a business or provide a public service, Contact the Town Clerk with the listing or leave it with McArtton Press, Deseronto by May 15th.

Quinte Area Reveals High Alcoholism Rate

The Eastern Ontario area between Port Hope and Brockville has the third highest percentage of alcoholics for its total population of all North American communities.

The area's record is exceeded only by San Francisco, with the largest number of alcoholics per capita, and Boston, with the second largest.

The figures, based on reports by the Ontario Medical Association and Queen's University were given recently by Inspector Ralph Blatchford of the Belleville Police.

He spoke at the workshop conducted by the Mayor's Committee on Youth at St. Joseph's School Tuesday night. The workshops for parents on drug abuse were held all last week at schools throughout the city.

"Don't press the panic button the inspector warned his listeners. "Police have traditionally been silent on these things, but within the last few years we have felt we should acquaint citizens with the total picture. Some communities still bury their heads in the sands over this issue.

C. G. Messereau, supervisor of program for the separate school board, told the group the specific drugs discussed, marijuana, amphetamines, barbiturates, and LSD, are not the problem.

"Next year we will be discussing new drugs, as yet unheard of," he said "The problem is not specific drugs, it goes deeper, to the problem of alienated youth. Until we get to the heart of this we won't solve anything."

Msgr. James Sullivan said

the problem of alcohol and drug abuse is serious in Belleville, although only a few young people are involved.

"The situation is serious because the rehabilitation picture is so poor," he asserted.

Inspector Blatchford urged parents, who discover their child ren using drugs, to inform the police. But first, he suggested the parents should seek the advice of their family doctor or clergyman, and arrange psychological counselling for themselves and the child.

"But we need your co-operation in finding the source of supply," he said. "We are not interested in jailing those who transgress once or twice. We will send a senior, plainclothes officer to question your child in your presence. By correlation of the bits of information we thus gain from each user, we can obtain a picture of the drug situation here and take steps to overcome it."

The officer added that the sense of shame a child might experience on being questioned by the police might be part of the cure.

CELEBRATES 88th BIRTHDAY

Mr. Charles Griffiths celebrated his 88th birthday on Saturday, April 26th with visits from the "little folk". In the morning the Explorers of the Presbyterian Church called on him with cards they had made, and a small box of goodies, then in the afternoon, the C.O.C. group called and stayed for ice-cream and cake. Both groups sang Happy Birthday to Mr. Griffiths.

Educational Representatives Meet At Loyalist

Educational representatives of the Quinte Region trade union movement met at Loyalists College Tuesday evening to develop plans for acquainting union members in the District with opportunities that are available under The Loyalist College Manpower Re-training Program for individuals to further their education and skills.

The meeting, convened by R. A. Loader, the labor representative member of the Loyalist Board of Governors was chaired by the Judge J. C. Anderson, Chairman of the Loyalist College Board of Governors.

Those attending the meeting included: representatives of the Belleville and Trenton District Labor Councils, silversmiths, United Cement, Lime and Gyp-

sum Workers, Boot and Shoe Workers: The Textile Workers' Union of America: United Steel Workers of America: Customs and Excise Workers (Quinte Branch) railway workers' locals and The Distillery Workers' Union.

As a result of the meeting E. J. Buckley, Co-ordinator of the Loyalist College Manpower Re-training Program in Belleville which operates under the Extension Division of the College, will be attending forthcoming meeting of Belleville and Trenton Labor Councils to acquaint them with details of programs now available for employed persons in order to secure their co-operation for the implementation of an educational program in September. The program will involve as many union members in the four-county Quinte Area as possible. The courses that could be available to individual members of the labor movement in the area will depend on the numbers of members who indicate an interest in courses offered under the program. As well as the Belleville-Trenton area, representatives were present from other centres and there is a possibility of some courses being offered in local communities such as Napanee, Picton, Campbellford and other localities, depending on the degree of local interest.

Also attending the meeting were: Loyalist President J. K. Bradford and H. J. Butterill, Loyalist Director of Extension. R. N. Laughlin of Toronto, Supervisor Training, Business and Industry, represented the Ontario Dept. of Education.

Tyendinaga 4-H Calf Club

The first meeting of the Tyendinaga Calf Club was held on April 22nd at Thurlow Township Hall, Cannifton.

Mr. Wayne Martin and Mr. Ray Pender explained the various groups that were organized this year and distributed the members pamphlets. The election of officers then took place and resulted as follows:

Club Leaders: Malcolm Lazier
Gerald Walsh

President - Dennis Walsh
Vice President - Jack Walsh
Secretary - Kevin Walsh
Press Reporter - Joyce McFarlane

The next meeting is to be held May 12th, at Tyendinaga Township Hall.

LONSDALE W.I.

The April meeting of the Lonsdale Women's Institute was held on Tuesday April 15th.

The meeting opened in the usual manner with the singing of the Opening Ode followed by the Mary Stewart Collect. Roll Call was answered by a "History of your Home or Farm" Minutes of the previous meeting were read and approved. Reports were given from the various convenors for the past year, followed by the annual report from the Sec. Treas Mrs. Carmel Ball and the auditors report.

The officers for the coming year were installed as were the convenors.

It was decided that the eucharistic parties for the coming year will be held on the first Monday

of each month beginning in Nov.

Mrs. Claude McRae, prepared a reading on Roman Architecture which was read by Mrs. Brooks Allen. Following this slides on home garden were shown by Mr. Mervin Haight. These were enjoyed by the members as well as a number of visitors. A tasty lunch then brought the evening to a close.

Start Seeding Early

Seeding may start as soon as the soil has reached the condition where the top inch or two can be worked without puddling says Dr. N.C. Stoskopf of the Crop Science Department, University of Guelph. "Providing the soil conditions are right, there is no such thing as seeding too early."

"The main point," emphasizes Dr. Stoskopf, is that we only need enough tillage to just cover the seed. If one trip across the field for seeding and one trip with a harrow will cover the seed there is no point in further cultivations."

Dr. Stoskopf says plant growth habits are different under these early conditions. "The growth is much slower than with the later planted cereals, and the plants stool out more. With some varieties, such as the two-row barleys, this may result in too dense a crop. I would recommend seeding at about the two-bushel rate, and on the shy side of this with two-row barley."

"This slower growth with the shorter spreading effect can mean problems," he warns. "If weeds are a problem, they'll be more of a problem under these conditions as the crop doesn't

have the top growth to compete as well. To overcome this, the farmer must be right on top with his weed control. Broadleaf weeds must be sprayed at the right stage. Weed control in previous years should also have been good to avoid the serious annual grass problems that can occur."

Much of this information on early seeding has come from the University's experiments with extremely early planting or frost seeding. These experiments will be continued with an emphasis on spring wheat, which has given very variable results when sown on frozen ground.

NOTICE

TOWN OF DESERONTO

A notice was published in the issues of the Napanee Beaver and the Deseronto and Skyway Scanner dated the second day of April 1969, and the 9th day of April 1969, pertaining to a proposal whereby the Ontario Water Resources Commission would construct a sewage works project at an estimated cost of \$1,210,305 for the Town of Deseronto. The collector sewers to be constructed were shown in error. The streets to be serviced should read as follows:

ON	FROM	TO
Main Street	Mechanic Street	First Street
Second Street	Dundas Street	Main Street
Thomas Street	First Street	Pearl Street
Stanley Avenue	975' East of Centre Street	Centre Street
Pearl Street	325' N. of Dundas Street	Main Street
Dundas Street	West Street	College Street
Maple Street	1300' E. of Mill Street	Mill Street
Mill Street	Water Street	Maple Street
Centre Street	Main Street	Maple Street
St. George St.	Main Street	Maple Street
Brant Street	Main Street	Maple Street
Green Street	Main Street	Maple Street
Edmon Street	Centre Street	Mill Street
Dundas Street	First Street	Brant Street
Fourth Street	Dundas Street	Main Street
Prince Street	Dundas Street	Main Street
Mechanic Street	Park Street	Main Street
Park Street	Mechanic Street	College Street
College Street	Dundas Street	Main Street
First Street	Dundas Street	Main Street
Fourth Street	Water Street	150' S. of Water St.
Maple Street	Mill Street	750' W. of Brant St.

It is noted that there are no other changes in the description of the proposed sewage works, the rates to be charged or any other particulars shown in the original notice.

Any rate payer may, within twenty - one days after the first publication of this notice send by prepaid post to the clerk of the Town of Deseronto at the address given below, a notice in writing stating his objection to this proposal or the imposition of the sewage rates.

The Ontario Municipal Board may approve the agreement between the Town of Deseronto and The Ontario Water Resources Commission with respect to the provision of the sewage service but before doing so it may appoint a time and place for a public hearing when any objections will be considered but notice of such hearing will be given only to those persons who have given notice of objection as provided for above.

Plans may be inspected at the office of the undersigned during business hours.

DATED AT DESERONTO and first published this 23rd. day of April, 1969.

Mr. J. C. Reynolds,
Clerk-Treasurer,
Town of Deseronto,
P.O. Box 310,
DESERONTO, Ontario.

Let's Talk

BOWLING

BY
A. Heedpyn.

Hi Bowlers, to continue the report of the play-offs at the local lanes and if we are a little lax in writing the results, please be patient. Last week the Marysville All Stars again won the 5th Annual Match play tournament over their counter parts and Read All Stars. After the first game there never was doubt as to who was the better Marysville took a commanding lead at the end of the first game and during the second and third added more points. This is the fourth time that the Marysville All Stars in five years have won this annual tournament. For the winners the top shooters were Charlie Brennan, Ambrose McCambridge, Bernard O'Sullivan, Terry Kimmerly who were in the over 600 bracket with Father Dwyer, Frank Callaghan, Gordon Smith and Roy

Stapley rolling the odd game well over the 200 mark. For the ladies of Marysville the top pin getters were Rosemary Callaghan, Caroline McGuinness, Rita Farrell, Helen Kimmerly and the balance of the lady bowlers adding to the victory by bowling good steady games. For the losing Read All Star team Rosemary Roach top all bowlers with a 257-642; and Husband Pat was a close second with 234-626; President Ed Shot a 256; Joe Jordan 202; Harold Enright 207; Paul Callaghan 228; Helen McLaren 232-577; and Dolly Walsh a 241-600 triple. Well better luck next yr. Although good singles help the cause it does take some good triples to add up to the pin winning total.

On the seasons play in the Marysville league the Hi triple

was won by Roy Stapley, Hi single goes to Mike Murphy, while Rosemary Callaghan won the Hi triple and the Hi single goes to Eileen Kennelly. The play-off championship was won by The Hawks. The league championship team is the Tigers. The Banquet Evening will be held in the church basement at Melrose this Saturday evening at 7 p.m. for both the Marysville and the Read leagues.

The house round roll-off for the right to compete in the Zone Finals of the Bowlers for the Mo. Awards sponsored by O'Keefe was held last Sunday evening at the lanes. This type of tournament is for O.B.C. affiliated leagues and the players bowl and compete in their own average group. In the 175 group the winners were

Doug Kleinstuber, in the 200 group it was Lloyd Scero, in the 225 group it was Gary Thompkins and in the 226 group it was Carl Tinney. Congratulations follows the ladies section of this tournament is to be held next Tuesday evening at 9 p.m.

Bowling as in other types of recreation and sports it is not always the top performers that win the decisive victory, true one must have these top average players, but, in so many play-downs, it is the average Joe bowler that extends himself and makes the difference between victory and defeat. This year has been no exception and so many play-off winners have been teams who would think did not have much of (Cont'd on Page 9)

LET'S TALK BOWLING

(Cont'd from Page 8)

a chance to come up a winner. In cases of the league championship there is never a doubt, because these teams are champions because of their year's efforts, but play-offs, that is quite different.

In the Friendship League the Stampedeers won the play-off against the finalists. The Hopefuls The Hopefuls gained the play-offs by defeating the highly rated Hurricanes and the Stampedeers took out their adversaries the Cyclones. Then the battle began. The Stampedeers lead by Garry Whitton who rolled a 318-1027 for four games, Diana Stuart 216-885 Jim Stuart, Don Simpson, Wendy Simpson, Ina Brooks a 11 Bowling well up to the 200 and over average with a fine team effort the Stampedeers are now the Play-Off Champs. However, the Hopefuls never gave up and certainly the match was not over until the last frame was bowled. Going into the final and fourth game it was still anyone's series. Carl Tinney was the best for the losers having a good series 235-879; good support was given by Jack Richardson 252-803; by Theresa Brooks 283-912 who topped a 11 lady bowlers in the play-offs. Elsie Hawthorn, Art Smith, Ruth Beauchene all bowled well and the match was so even that only the last two or three frames had not a head pin or two been taken and a couple of spares had converted the outcome certainly would have been much different. However, that is the breaks of the game and Congratulations to the Stampedeers they came through when it counted the most.

On Saturday evening last the Friendship League ended their bowling season with a banquet and dance that was held in the Legion Hall. The Highly successful evening was under the guidance of Pres. Al Fraser and his committee of Ruth Beauchene, Diana Stuart, Phyllis Thompson and Jim Stuart. The many lovely trophies, prizes, and gifts presentations were made to the well deserving players who earned them. After the awards were presented the balance of the evening was spent in dancing and fun, frolic and merriment which was enjoyed by all and so another very successful bowling season ended.

Elsewhere in this issue are pictures of champions and we will give the story behind these pictures in the future issues of this paper. See you next week.

A. Pynbuoy

Merriott, Kingston.

Mrs. M. Withers has returned to her home after spending the winter in Three Hills, Alberta with her daughter Mrs. Delbert Hewitt, Mr. Hewitt and family.

Pleased to report Mrs. Robt. Harvey returned from Napanee Hospital, Wednesday.

A number from here attended achievement day for the 4-H Club girls at the Memorial Bldg Napanee on Saturday.

Bert Winter who was in Napanee Hospital for a few days for

observation returned home recently.

We extend Congratulations to Mr. and Mrs. Joseph McCullough Marysville, who celebrated their 41st Wedding Anniversary last Saturday.

Notes of Inspiration

— by —

REV. OSCAR SIMPSON

The Perfect Standard

The hammer must do its work breaking off the roughness. The chisel must be used, carving and polishing our lives into beauty.

This work is done in the many processes of life. Every sinful thing, every fault in our character, is a rough place in the stone which must be chiselled off. All the crooked lines must be straightened. Our lives must be cut and sewn until they conform to the perfect standard of divine truth. God hastens us that we may come forth as pure gold those whom He loves -- He hastens: John 1:12 "As many as received Him, to them gave He power to become the sons of God."

Life is like a grindstone whether it grinds you down or polishes you up, depends on what you're made of.

Barry W. Young
Napanee, Ont.,
Solicitor for the
said Estate.

Last week officers of the Bel-
leville Detachment of the Ontario
Provincial Police patrolled 12,
263 miles of Provincial Highways
and other roads while working a
total of 1,128 duty hours.

10 motor vehicle accidents
were reported and investigated
In one of these accidents, one
person was injured.

2 thefts, 5 disturbances, and

36 other miscellaneous occur-
ences were reported and investiga-
ted.

71 charges were preferred for
various offences under Federal
and Provincial Statutes. 63 cau-
tions were given for minor infrac-
tions of the Highway Traffic Act.

There were 58 convictions in
Provincial Judge's Court. Offi-
cers spent a total of 35 duty hrs.
in Court.

5 requests for assistance were
received and assistance was giv-
en in each case.

The Belleville Detachment
Safety Officer visited 4 schools
and gave 13 talks to 463 children

Loyalist Plans Programs For Union Employees

Loyalist College could be
offering special education pro-
grams for union employees across
the Quinte district.

Educational representatives
of trade unions in this area met
with Loyalist officials last night
to discuss programs available under
the Loyalist administered
manpower retraining program.

As a result of the meeting, E
J. Buckley, retraining co-ordin-
ator, will attend upcoming meet-
ings of the Belleville and Trenton
labor councils to acquaint
them with details of the program

The program would involve
as many union members as possi-
ble and the type of courses will
depend on the interest shown.

College officials hope the
idea of program retraining could
involve the Napanee, Picton,
and Campbellford areas.

Last night's meeting was con-
vened by R.A. Loader, labour
representative member of Loyal-
ist board of governors. Chair-
man was Judge J.C. Anderson,
board chairman.

Members of trade unions form
across the Quinte district were
present, along with representa-
tives from both Belleville and
Trenton labor councils.

Wedding

McCarroll - Saunders

A lovely Spring Wedding was solemnized in the Deseronto United Church on Saturday, Apr. 12th, 1969, when Suzanne Margaret, only daughter of Mr. and Mrs. David E. Saunders of Deseronto exchanged marriage vows with William Lyon McCarroll of Toronto, son of Mr. and Mrs. George McCarroll of Toronto.

Rev. Wm. R. Hendy performed the ceremony and the organist Mrs. Fran Walker accompanied the soloist, Sister Edna Martin of Loretto Abbey, Toronto.

Given in marriage by her father, the bride wore a floor-length white brocaded velvet gown cut on princess lines, and with a sequined mandarin collar. A matching long sleeved coat cut straight in line fell into a chapel train. The shoulder length veil was held in place by a white velvet rose, and she carried a bouquet of red roses and white gladioli.

The bride's attendants were Mrs. Gary (Susan) Bricker and Miss Sharon Murphy, and Miss Leslie McCarroll, cousin of the groom. They were gowned alike in floor length gowns of red velvet,

with long sleeves and scalloped necklines. The headress was a large white velvet rose, and they carried a small cascade of white gladioli.

Ronald Saxton attended the groom, and the ushers were Gord Saunders, brother of the bride, and Rodney McCarroll, brother of the groom.

The reception was held in Stover Hall, where the bride's mother received her guests. She wore a suit of pink brocade satin with white fur bordering the three quarter length sleeves, a pink flowered hat, white accessories and a gardenia corsage.

Assisting her, the groom's mother wore a jacketed dress in blue, with a navy hat and accessories and a gardenia corsage.

For the wedding trip to points east, the bride chose a brocade dress, with a pink pile coat, pink straw hat, brown accessories and a corsage of Sweetheart roses.

Mr. and Mrs. McCarroll are living in Toronto.

United Church Develops New Creed

The United Church of Canada has come out with a new creed which is a modern contemporary expression of the Christian Faith as opposed to the traditional historical expression of the Christian Faith like the Apostles' and the Nicene Creeds.

We believe in God who has created and is creating who has come in the true Man, Jesus, to reconcile and make new who works in us and others by his Spirit.

We trust Him.

He calls us to be his church: to celebrate his presence, to love and serve others, to seek justice and resist evil, to proclaim Jesus, crucified and risen, our judge and our hope.

In life, in death, in life beyond death, God is with us
We are not alone
Thanks be to God.

Read Maple Syrup Labels

Read the label very carefully when you buy maple syrup, warn the Food Council, Ontario Dept. of Agriculture and Food.

Maple Syrup is sold by weight and or volume, and an imper-

ial gallon weights 210 ounces A VD net (sometimes expressed as 210 net). However, the measurement by volume of the imperial gallon is 160 fluid ounces.

Consumers can easily be confused by fractional gallons of maple syrup, since most of us are used to buying liquid by volume (fluid ounces), not by weight. (AVD net). Thus a shopper might easily mistake an 88 ounce AVD net container for a half-gallon, which it is not. A half-gallon would be 105 ounces AVD.

Provincial regulations requiring the fluid-ounce content to appear on the labels of maple syrup containers will be introduced soon. However, in the meantime, shoppers should be aware of the weight and volumetric measurements for maple syrup so that accurate price comparisons can be made.

news... from the information branch

ARDA Roughland Study Undertaken This Year.

A program of research and development into the potential uses of roughland pasture in Ontario has been approved by the ARDA Administration, it was announced by the Minister of Agriculture and Food for Ontario Hon. Wm. A. Stewart, and the Federal Minister of Regional Economic Expansion, Hon. Jean Marchand.

Research conducted by ARDA from 1963 to 1968 has established that there are approximately 1.3 million acres of rough pasture land in Ontario with potential for agricultural purposes. Much of this land could be utilized with the introduction of the newer grasses and legumes, such as bird's foot trefoil.

The project just approved will provide for practical field work and study in the countries of Bruce, Grey, Dufferin, Manitoulin Island, Victoria, Leeds, Grenville and Carleton. During the two years of this work, efforts will be made to measure the extent to which the development of roughland pastures will assist in improving the economic status of rural people and shallow soils.

The supervisor of the project will be Prof. J. E. Winch, of the Crop Science Department at the Ontario Agricultural College, University of Guelph, and the project will end Mar. 31, 1971.

HOMEMAKING

Sandwich Calculations

If you're on the planning committee for spring teas, bridal showers or any other large-scale event these sandwich facts from the Food Council, Ont. Department of Agriculture and Food, will be of help.

For a daytime reception of mixed company, allow two slices of bread per person. At a ladies gathering the hostess should allow one to one and a half slices of bread per guest.

A one-pound loaf of bread has about 30 $\frac{1}{2}$ " slices, giving 15 sandwiches, while a 24-ounce

loaf has about 40 slices, giving 20 sandwiches. Day-old bread is best for buttering, but for any rolled sandwiches use the freshest bread you can get so the sandwiches won't crack when rolled.

When buttering allow about one teaspoon butter per bread slice if the crusts are left on and one half to one third teaspoon butter if the crusts will be trimmed off. One pound of butter will spread about 130 slices of bread or enough for 65 sandwiches.

A Touch of Glamour For Potato Salad

Potato-salad time is nearly with us again. Hard-cooked eggs and mayonnaise added to the diced cooked potatoes will make a tasty potato salad that's just right for a warm-day lunch or dinner. Make the salad at least one hour before serving to allow the flavors to blend, say home economists at Macdonald Institute, University of Guelph.

Crunchy Potato Salad
3 cups chilled diced potatoes
3 hard-cooked eggs
1/3 cup chopped celery
1 small onion, chopped
 $\frac{1}{2}$ cup grated raw carrot
1 tsp. celery seed
 $\frac{1}{2}$ cup mayonnaise as required
salt, pepper to taste.

Combine all ingredients and toss slightly. Allow to stand one hour in refrigerator. Serve on crisp greens. This recipe makes 8 to 10 servings. A teaspoon of prepared mustard added to the mayonnaise will add color and flavor to the salad.
